‘The old song-changing, playing the"" role of the old and new, and fifteen gilt small globes, each inscribed with the name of the state of origin, were presented to the state teams.

The victory of this year may be determined by the number of "points scored," but the real joy of being a soloist in a contest is to be found in the personal satisfaction of having done one’s utmost to wear one’s crown and to give one’s best for the benefit of the institution.

The victory of the senior class last year was won by the performance of the "Fugue," which was sung by the first-year class, and the "Galliard," which was sung by the second-year class.

PROMISING TO BE THE JOLLCST YET.

Miss Daisy Davies

Chairwoman, Woman’s Auxiliary, Southern Church, Who Will Deliver a Sermon at Winthrop.

Miss Davies Will Speak to the Freshmen.

The picnic was held in the woods at Winthrop and was attended by all the Winthrop students.

The picnic was a great success and many prizes were won by the members of the Junior class.

Winthrop students will find it unnecessary for them to enjoy them to the utmost, and though we may hate to confess it will become more and more a part of our everyday routine.

Winthrop is being liberal in following our own counsel regarding week-ends; we would rarely be guided by the financial aid of protection. On the contrary, a generous provision has been made for the protection of any family who could not afford fully to support their child at Winthrop.

Winthrop students should be neither parents nor daugh-...

So many unhappy things can happen to increase that old inferiority complex. Deans and Doctors, Mid-years and Finals, all dedicated to the cause of making life a burden. Coca-Cola was made for times like these. Here’s a drink that will quickly invest you with some of its life and sparkle. Give you exceeding joy in its tingling, delicious taste. And leave you with that cool after-sense of refreshment in which a righteous megalomania may wax fat and prosper.
