I

The records of the Shaw Land Surveying, Inc. were received as a gift by the Archives from Linda Shaw on November 25, 1998.

Linear feet of shelf space occupied: 38.50
Approximate number of pieces: ca. 77,000

Restrictions: Open to researchers under the rules and regulations of the Louise Pettus Archives & Special Collections at Winthrop University.

Literary Rights: For information concerning literary rights please contact the Louise Pettus Archives & Special Collections at Winthrop University.

Scope and Content Note: **The collection consists of the survey plats and field books pertaining to David Shaw and to Shaw Land Surveying, Inc. Shaw earned his professional surveying license in 1994 and operated his surveying business from 1994 until his death on November 5, 1998. The surveys are arranged in alphabetical order by the client requesting survey, how originally organized by David Shaw, and not necessarily the property owner, however, property owners of individual plats are cross-referenced in Appendix/Index I. There are often several surveys per job and many were performed by other surveyors, which are cross-referenced by the property owners. The inclusive dates for the plats are 1846, 1888, 1905, 1908 to 1998, with the bulk being from the 1970s to 1998, and cover predominately York, Chester, and Lancaster Counties. Included with the survey plats, if applicable, are tax assessment worksheets, notes, as well as deeds all pertaining to a particular property with the inclusive dates of 1853, 1889, 1890s to 1998, with the bulk dates ranging from the 1940s to 1998. The field books cover David Shaw's apprenticeship in 1987 and the Shaw Land Surveying, Inc. from 1994 to 1998.**

Transfer of items: Oversized surveys were transferred to flat files and are listed alphabetically in Appendix/Index II.
