DESCRIPTION OF SERIES (cont.)

<u>Item</u>	<u>Folder(s)</u>	<u>Description</u>	<u>Year(s)</u>
107	11	<p>OCONEE COUNTY, SOUTH CAROLINA</p> <p>This map is a reproduction of a 1730-1776 map by cartographer Margaret Mills Seaborn. It depicts stage coach road with adjoining public road of Oconee County, South Carolina. There are descriptions written about a stage coach ride, geology, roads, and rivers. The map illustrates the travels in the description.</p>	1730-1776, [1975]
108	11	<p>CHEROKEE INDIAN TOWNS OF OCONEE COUNTY, SOUTH CAROLINA</p> <p>Cartographer is Margaret Mills Seaborn. This map contains descriptions on the Indian Line 1777 to 1816 and the making of the map based on interpretations. The path of William Bartram is indicated. This map was compiled for the 1976 Bicentennial American Revolutionary Celebration.</p>	1836-1839
109	11	<p>SPARTANBURG COUNTY, SOUTH CAROLINA</p> <p>It was published by S.C. State Highway Department in cooperation with U.S. Department of Transportation Federal Highway Administration. There is an inset of South Carolina with Spartanburg County shaded in. Last revision was in May 1, 1974. This is a polyconic projection.</p>	1972
110	11	<p>SPARTANBURG COUNTY, SOUTH CAROLINA</p> <p>It was compiled by Lewis P. Jones. This is a Bicentennial map of the Spartanburg County with historic sites and structures indicated. The right side of the map holds an incomplete list of historical and significant places in Spartanburg. There are insets of the Reidville and Gleen Spring area labelled. The origin of the Spartanburg County's name appears.</p>	1975
111	12	<p>UNION COUNTY, SOUTH CAROLINA</p> <p>It was published by S.C. State Highway Department in cooperation with U.S. Department of Transportation Federal Highway Administration. There is an inset of South Carolina with Union County shaded in. Last revision was in February 1, 1975. This is a polyconic projection.</p>	1972

II

DESCRIPTION OF SERIES (cont.)

<u>Item</u>	<u>Folder(s)</u>	<u>Description</u>	<u>Year(s)</u>
112	12	<p>UNION COUNTY, SOUTH CAROLINA</p> <p>It was published by the Union County Historical Foundation. It is compiled by Allan D. Charles. The map indicates some of the most historic sites and structures in Union County, South Carolina. There is an inset of Union City labeled accordingly with added description.</p>	1976
113	12	<p>YORK COUNTY, SOUTH CAROLINA</p> <p>It was published by S.C. State Highway Department. It is a traffic volume map of York County, South Carolina. There is an inset of the city traffic flow maps available. The legend is barely legible. It indicates cities and towns, cultural features, drainage, boundaries, road systems, road types, structures, railroads, airways, recreational, and other miscellaneous. There is an inset of South Carolina with York County shaded in. Last revision was in April 15, 1972. This is a polyconic projection.</p>	1971
114	12	<p>YORK COUNTY, SOUTH CAROLINA</p> <p>It was published by the S.C. State Highway Department in cooperation with U.S. Department of Transportation Federal Highway Administration. This is a general highway map of York County, South Carolina. There is an inset of South Carolina with York County shaded in. Last revision was in July 1, 1974. This is a polyconic projection.</p>	1972
115	12	<p>ROCK HILL, SOUTH CAROLINA AND VICINITY</p> <p>This is a traffic flow map of the city of Rock Hill in York County, South Carolina. There is 24-hour weekday traffic volumes indicated. This map depicts from August to October. There is an inset of the most congested area in Rock Hill.</p>	1971
116	12	<p>ROCK HILL, SOUTH CAROLINA</p> <p>It was published by S.C. State Highway Department. This map shows the state highways that are maintained by the S.C. State Highway Department. The legend depicts highways, streets, railroads, city limit, and proposed highways. It was last revised on October 25, 1973.</p>	1973

II

DESCRIPTION OF SERIES (cont.)

<u>Item</u>	<u>Folder(s)</u>	<u>Description</u>	<u>Year(s)</u>
117	12	TOWN OF YORK, SOUTH CAROLINA It was published by South Carolina State Highway Department. This is a map showing the town of York's state highways maintained by the S.C. State Highway Department. It indicates primary and secondary highways, streets to be maintained after construction, other streets, railroads, and city limits. It was last revised May 15, 1974.	1974
118	12	JAMES FORTE AT JAMESTOWN, VIRGINIA This map is a reproduction of a 1607 map by cartographer John Hull. There are illustrations of Jamestown, sea creatures, the Native Americans, and the local animals. There are also illustrations of the ships the settlers took to America: the Discovery, the Susan Constant, and the Godspeed. A Powhatan chief is shown outside the depiction of Jamestown.	1607, [1957]
119	12	THE SOURCES OF THE NILE: EXPLORER'S MAP A.D. It is from the Royal Geographical Society's collections with notes by G.R. Crone M.A. The book contains information about J.H. Speke and Burton's animosity. It also talks about the sources of the Nile and the Royal Geographical Society's connection to the explorers of the Nile. There is an explanation of the survey methods that made the maps. The book contains notes of the plates and a bibliography. Guide to item(s) 5 to 14.	1964, 1856-1891
120	12	BIOGRAPHICAL COMPANION TO A MAP OF SOUTH CAROLINA WRITERS This book is a companion piece to item 121. This is a book explaining the importance of a map of South Carolinian writers and the guidelines the committee followed to create the map. It also contains a more in depth biography of all the writers indicated on the map. It is used to explain why they chose a certain writer over another. The book extrapolates on what type of writings and writers the committee chose to include.	1973

II

DESCRIPTION OF SERIES (cont.)

<u>Item</u>	<u>Folder(s)</u>	<u>Description</u>	<u>Year(s)</u>
121	13	<p>A MAP OF SOUTH CAROLINA WRITERS FROM THE BEGINNINGS TO 1972</p> <p>It was published by the Junior Members Round Table of the South Carolina Library Association and designed by John M. Bryan. This is a map of South Carolina that indicates where the famous writers were located. There are insets of a plan of Charleston, Port Royal Harbor, a plan of Beaufort on Port Royal Island, a plan of Camden, and a plan of Georgetown (note: very faint and hard to see insets). There are illustrations of Native Americans and Colonials. Roads and rivers are indicated.</p>	1973
122	13	<p>HISTORIC MAPS OF THE KENTUCKY</p> <p>By Thomas D. Clark and published by the University Press of Kentucky. The books contain the sources of illustrations, the metes and bounds of Kentucky, and the mapping of Kentucky. There is a preface talking about how Kentucky was shaped by, mostly, its geographical features. The book was made to define the reasons for the shaping of Kentucky and to identify the earlier map makers of Kentucky. Guide to item(s) 29, 31, and 57 to 64.</p>	1979
123	13	<p>VIRGINIA AND FLORIDA</p> <p>This is a reproduction of 1606 map of Virginia and Florida which first appeared in Mercator's Atlas, published by Jodocus Hondius in Amsterdam. The highly decorative cartouche shows stockades of Florida and Virginia Indians. Notice Mountains, forests, mythical lakes, deer, a turkey, and Floridian King and Queen, strange fish, horned sea-monsters, a canoe, ships and a large compass with radiating lines. The copy was previously framed and had been on display in Winthrop's Dacus Library with the date "9/14/71" written on the back which presumably was the date it was framed. The original map is held by the Dutch Archives.</p>	ca1971

DESCRIPTION OF SERIES (cont.)

<u>Item</u>	<u>Folder(s)</u>	<u>Description</u>	<u>Year(s)</u>
124	13	<p>MISSISSIPPI AND ST. LAWRENCE VALLEYS</p> <p>This is a reproduction of a 1719 A. H. Chatelain's map of the Mississippi and St. Lawrence Valleys. The map depicts America's two principal watersheds. The map is full historical detail, well ornamented, with a splendid view of Quebec, animals, birds, natives, stockades, ships, canoes and whales. The printed text gives details of many interesting facts. The copy was previously framed and had been on display in Winthrop's Dacus Library with the date "9/15/71" written on the back which presumably was the date it was framed.</p>	ca1971
125	13	<p>AMERICA SEPTENTRIONALIS</p> <p>This map is a reproduction of a 1652 map of North, Central, and parts of South America by Jan Jansson. This map is known for perpetuating the theory that California was an Island. The copy was previously framed and had been on display in Winthrop's Dacus Library with the date "9/14/71" written on the back which presumably was the date it was framed.</p>	1971
126	13	<p>MAP OF CAROLINA</p> <p>This map is the 1676 map of Carolina drawn by cartographer John Speed who was one of the foremost cartographers of the 17th century Britain. The map was No. 25 between pages 49-50 of <i>A Prospect of the most Famous Parts of the World</i>, 1676. On the back of the map is "The Description of Florida" (p.49) and "The Description of Carolina" (p.50). The map is framed and was previously on display in Winthrop's Dacus Library and now is on display in the Louise Pettus Archives and Special Collections.</p>	1676
