A FARMERS' PAPER

You cannot buy, we are advised, just too long after the lecture will hold good, but we can say that the time to take advantage of it is now. Some wanted the Farm and Fireside but your failure to get it because they determined on the offer elsewhere.

Remember that you can get the Farm and Fireside with The Lantern, at a saving of $1.50 for the two papers together. There is no guarantee that the offer will be made again.

OTHER COMBINATIONS

Many thanks for more stories and reading about dress and fashions and styles. The other subscribers would like to have both, the Farm and Fireside, and yet others who would have both, the local papers, and the Review of Reviews, and The Lantern. PROCEEDS may be paid in advance for The Lantern this year.

We will send the Lantern a year for $2.00, and we will send the Farm and Fireside to The Lantern’s subscribers only to those who pay in advance of $3.50. The price of The Lantern is $2.00 for a year.

The price of the Woman’s Home Companion is $2.00.

We will send all three for...

**Bigger Yields**

A given number of acres fertilized with Farmers' Bone produce a greater yield of cotton, than the same acreage with ordinary fertilizer. Farmers' Bone does more than that. It makes it possible to increase the acreage and increase the yield. Try it this year. The man who uses

FARMERS' BONE

Made With Fish

has twenty-one years of fertilizer experience backed by him. Over 13,000 samples of Farmers fertilizer were used on the crops of 1905. This volume of business stamps Farmers' Bone the best.
