SHELL WILL PROGRESS! The first official Pay Day at Winthrop is March 31. What was your attitude towards it?

You should request the payment of dues and will be held as a means of support for a self-governing body. Or have you been doing nothing?

Do not attempt a discussion of a possible strike by shouting to the skies. But I sincerely warn you to be interested in every interest involved. Remember, "The mills will not travel far in the hands of a man in a period of conflict.

Do you know that a progressive group of students at South Carolina this week under the impulse of the South Carolina National Education Association (S.C. Unions)? Shall we not move such a group, even when it has been said that times of stress are not the time to stand on matters of importance in the college is a lost test of your character.

There will be another Pay Day soon. You can decide and look for its announcement.
