To Build Big Church.

One of the larger enterprises of the Methodist Episcopal church, No. 1 is the building of a representative church of the denomination in Washington city. Rev. Dr. Harris has made a fine record in the past year. His many friends in Columbia will be glad to know that he is still in the city and will preach Sunday morning at the Washington Street Methodist church.—The State, Sept. 9th.

In the afternoon will deliver his famous lecture, "What Sin Will Do." This lecture is one of the most powerful object lessons, exhibited with charts, two by three or four feet. The eye of the spectator, focused on the charts, takes in at a glance the whole scene, which is an illustration of the man suffering from delirium tremens. The public is cordially invited to attend each and all of these services.

NO. 7 AND 8 DISCONTINUED.

C. & N.W. Ry. To Take Off These Trains—Experiment Proved Railroad's Contentions.

Trains Nos. 7 and 8 on the Carolina & North-Western Railway Company will be discontinued between Chester and Gastonia after the 12th inst. and will be substituted by a new train. The mixed train will arrive at Chester daily except Sunday at 12:30 p. m. and leave for Gastonia at 1:30 p. m. This train will handle combination baggage and passenger car and one coach.

The public will remember that trains No. 7 and 8 were put on June 29th, 1913, by order of the Railroad Commission, the railroad people contending that the trains would pay operating cost, to prove which statement was supported by the following figures furnished the Railroad Commission on Aug. 11th:

Passenger earnings for the year before No. 7 and 8 were operated on the road were \$111,477.00. For the year No. 7 and 8 were operated, \$122,738.00. Increase during the year for the entire line, \$11,277.00. During the 6 years prior to the operation of No. 7 and 8 the increased passenger earnings averaged \$6,817 each, which represents a difference of \$5,606.00 earned on the 134 miles of road if the No. 7 and 8 trains were operated, \$124,656.00, and as result of increased revenue for entire operation, \$12,457.00, an increase of 11.97, \$47.00.

In round numbers it would appear that the \$5,606.00 difference in revenue it required nearly six dollars increase in expense, and that the C. & N. W. Ry. regrets that No. 7 and 8 must be discontinued the service if they could save any revenue in operating the train.

We are also informed that comparison of the cost of the two routes shows a material reduction in passenger with same period last year, which is still downward, which of itself is no encouragement to experiment further with a losing proposition at this time.

Results Of Tuesday's Primary.

Elsewhere will be found a table giving Tuesday election results in this county. As will be seen from that table Mr. A. W. Wile has been elected to the 30th seat in the House of Representatives, Mr. G. Anderson to the 29th seat, and Mr. M. C. Fudge wins for County Auditor by a margin of eight votes over Mr. A. C. Fitchel, the incumbent.

The County Democratic Executive Committee is canvassing the second race for Township Commissioner.

In Bates Rouge Township the results were as follows: Mr. Gregory, 96; Wade, 110. Mr. Wade increasing his lead.

"The Reporter" went to press this afternoon the County Democratic Executive Committee had completed its tabulation of the vote of each precinct. The result was as follows: Mr. A. C. Fitchel had lost four votes and Mr. Fudge had gained one. This made the total six votes to be counted: Fitchel, 92; Fudge, 1,000.

C. B. Howell and Miss Little (O'Neil, now of Monroe, N. C., are supposed to have committed suicide by drowning in the pond at Lakewood Park in Charlotte Tuesday evening or early yesterday morning. Numbers belonging to the two were found on the banks of the pond, also a note with the words, "All through life we are to the law and long coats." The boat in which the couple went out was found returned at the lower end of the pond. The lake is being dragged for the bodies, though the police are of the opinion that Howell and the woman slipped on an outcropping and left the note and other articles behind to throw the officers and public off their track.

THE W. M. U. MEETING.

Episcopal Meeting Of Baptists' Women At Cool Branch—Here Next Year.

The ninth annual meeting of the W. M. U. Auxiliary to the Chester Baptist Association was held at Cool Branch church Tuesday and Wednesday, Sept. 8th and 9th. About 75 delegates and visitors were present, among them being Mrs. J. E. Fisher, of Columbia, Corresponding Secretary of the State W. M. U., Mrs. E. E. Waldon, of Greenville, Vice President of Northern Division, Rev. W. E. Kuntzinger, missionary to Brazil, and Rev. J. E. Freeman, of Blackfoot.

Mrs. W. H. Newbold, superintendent of the Chester Association, presided at the meeting and interesting programs were carried out at each session. Reports from all the societies in the association were very encouraging and showed much progress over last year's work. Several inspiring and helpful talks were made by the State officers and Miss Josephine Winn while many excellent papers were read by some of the delegates present. An open discussion as to how to make the next annual meeting even better was engaged in, and many helpful ideas were exchanged.

At the evening service on Tuesday, Sept. 8th, W. M. U. Auxiliary to the Cool Branch church, presided and introduced the speakers, Rev. J. E. Kuntzinger and Rev. W. E. Kuntzinger. Rev. Mr. Freeman preached, taking his text from the book of Jonah his subject being, "A Purgative From The Call Of God," after which Mr. Kuntzinger spoke from the words of Christ, "It is more blessed to give than to receive," his subject being "The Redefinition Of Wisdom."

The fourth session of Wednesday afternoon was devoted mostly to business during which time the following officers were elected for the coming year: Mrs. Sam Grant, W. H. Newbold, Secretary and Treasurer, Miss Margaret Ward; Associate Secretary, Mrs. W. A. Miles; Miss Farborough; Associate Y. P. S. Miss Wade; President; Miss Davidson; President; Mrs. Sam Grant, 2nd Division; Mrs. Sam Grant, 3rd Division; Mrs. W. T. Boulware, President 4th Division; Miss Lettie Thomas, Chairman on Mission Study; Mrs. John G. White, Chairman on the Call Of God; Miss Josephine Winn. Report on time and place of next meeting was made. Time is the 11th and Wednesday afternoon at 8 o'clock Sunday in Sept., 1915, and the place First Baptist church, Chester.

The gathering was entertained most hospitably at the home of the Cool Branch neighborhood, and the delegates and visitors enjoyed every moment of their two-day session.

Orphanage Work Day. Our people have become familiar with the meaning of the word Orphan Work Day. They mean simply this, that there are in our orphan institutions a great number of fatherless children, dependent on the loving care of the Christian people in this State. As the only means of their support is from the voluntary gifts of generous men and women, it may very well happen that it does happen, that the supplies and the support of these thousands of orphans, run short at the end of the summer, and immediate relief is needed. And hence the inventory of a zealous Georgia Methodist preacher made the suggestion that on the last Saturday of the month, which is the 26th day of this month, our people proceed diligently to work for the orphans...
