Rock Hill, Jan. 7--The winter edition of The Journal, Winthrop college student literary publication, was issued last week with the names of two Anderson girls appearing as contributors.

They were Harriet Murphy, sophomore, daughter of Mrs. Mary Murphy of 278 Greenville street; and Frances Griffin, junior, daughter of Mr. and Mrs. Whitner L. Griffin of 525 Marshall avenue.

Miss Murphy wrote a poem entitled "Barren Land" for the magazine which is published four times yearly by the college students. Miss Griffin drew the cover design, which depicted one of the campus buildings.
