Government Documents at Dacus Library

Welcome back! As you are getting settled into your Fall routine, we want to remind you to visit Government Documents. Dacus Library has been a Federal Documents Depository since 1896. Our collection covers a wide range of materials including laws, census records, education and health reports, military history, science and technology, country facts and more. We are located on the second floor of Dacus Library and are open weekdays from 8:30 – 5:00. If you need assistance after hours, the Reference librarian will be glad to help you.
