Stomach TROUBLE for Five Years!

Majority of Friends Thought Mr. Hughes Would Die, But Dr. Hughes Prescribed Recovery.

Pamplona, Ky.—In the most unlikely of places the story of a man who has taken nothing to eat for five years is only now beginning to be told. Mr. Hughes, a wealthy businessman, was on a trip to Pamplona when he suddenly fell ill with a stomach ailment. Despite the best efforts of the local doctors, Mr. Hughes was unable to eat anything for five years, and it was feared he would die.

The Hughes family was given a great deal of comfort by the advice of an old friend, Dr. Hughes, who recommended a special diet and medication. Mr. Hughes has been on this regimen for five years and has been able to eat perfectly. He is now back to his old self and is expected to make a full recovery.
