Have you ever thought about what the Home Merchant does for you in the way of taxes? Do you ever stop to think how materially he assists in educacing your children? Have you ever stopped to think that the Mail-Order House is not contributing to the education of your children? Can you show one single instance in which an out-of-town merchant has aver contributed to the contract of town merchant has ever contributed to the velopment of your community?

We can show you that ten mercantile establishments in Chester this year paid \$16,955.86 in taxes, which went toward our county, city and state government. Much of this goes toward maintaining the roads you travel.

Ten merchants of Chester paid \$3,229,50 this year to help in educating the children of the City of Chester. Are these merchants who are helping educate your children not entitled to your less?

Every dollar sent out of Chester hurts Chester just that much and helps some other community just that much,

Approximately one fifteenth of the taxes paid in Chester county are paid by the mercantile firms. Such being the ease are they not entitled to our patronage?

Think it over before you send off that mail or-
