The affair took place on Saturday night about 10 o'clock, when Mayor Roddey was returning to his home from the courthouse. As he was about to enter his residence, he was attacked by a number of negroes, who, after the assault, fled into the woods.

Mr. E. B. Lancaster, a resident of Lancaster, who was present at the scene of the attack, said that Mayor Roddey was severely wounded, and that the negroes who attacked him were armed with guns.

This term is a good! He cost as much as feed, and didn’t produce the cash. In his place is an animal with a record you can trace.

Successful farmers buy ROYSTER FERTILIZER for the same reason that they buy good corn. You can grow a forest of corn all the year you buy. ROYSTER has been making good crops for the past forty years. The man with the pedigree is the man who has the success. He has to be the extra good to get what they are.

CHILDREN'S ILLS

Alabama Lady Says She Has Never Found a Better Land

One of our readers, Maud, writes:

"I am a mother of five and have been very anxious about the health of my children, especially the little one. I have tried many remedies but none have been as effective as the treatment prescribed by Doctor Brown. He has been very helpful and has given me valuable advice on how to care for my children. I highly recommend his services."
