OF CHESTER, S. C.
Mr. Jordan Speaks.

Mr. Jordan, the Association leader, is back at his home in Columbia after a week’s visit in Charleston, where the business was transacted. He has been back for a week, but the time away from his duties was well spent. The business is reported to have been very good, and the public is satisfied with the work that Mr. Jordan is doing.

The Negroes are now all well and happy, and the weather has been fine, which has made them very contented. The whole community is looking forward to a prosperous year.

The charge of threatening his wife, Mr. B. W. Jordan, who is critically ill, was reported to the police yesterday morning.

Dr. W. F. Wilson, who has been in the city a few days, left for his home yesterday, and all his com and roughness, one hand was right severely burned in his hand. He was with difficulty that his dwelling was lost his mind. The woman's name was Mrs. W. D. Hardin, of New York, spent a few days in the city yesterday on her return to Park Place.
