I pity no man because he has to work. If he is worth his salt he will work. I envy the man who has a work worth doing and does it well.

CALCIUM ARSENATE

We have just received a carload of Calcium Arsenate, this Arsenate was manufactured by Riches-Piver & Co., of New York, who made the first batch of Calcium Arsenate now. We were fortunate in getting this early, otherwise we could not begin to sell this Arsenate at this price.

Cotton is too high to take chances in not polishing and you cannot make it without the use of Calcium Arsenate, and when you buy it, you want to be sure you get the best.
