To Returning Soldiers and Sailors

Something happened while you were away—something planned for the day when you would return. The remarkable changes that were taking place among the men in service were studiously observed. The House of Kuppenheimer kept their hands upon the pulse of young American manhood, working to interpret its ideas inabbitable clothing styles.

The Spring styles in young men’s suits, created by the House of Kuppenheimer are new in every detail, reflecting with facilities accuracy the new spirit and the new physical proportions of the young men who have seen military or naval service—styles you won’t see anywhere else now.

By all means, see these suits when you are ready to pack your uniform away. They’re here now.

**ARMY DEATH RATE LOWEST IN HISTORY**

For First Time Disease Killed Fewer Than Injury and Accident

Washington, March 27.—Vital statistics for the United States for the first time in history show that disease killed fewer than injury and accident. This year, for the first time, disease killed fewer than injury and accident; and for the first time, the war efficiency of the armed forces was lower than that of the Spanish-American War.

**ARMS DEATH RATE**

It is estimated that 5,000,000 men served in the armed forces during the Spanish-American War, and that the war efficiency of the armed forces was lower than that of any other war in history. The war efficiency of the armed forces was lower than that of any other war in history, and the war efficiency of the armed forces was lower than that of any other war in history.

**THE TROOPER continually GIVEN AS MUNITION**

Plans for Jackson Green to be a battle of the Spanish-American War. When the army went to the field, the army went to the field, and the army went to the field.

**Prince Albert**

Never was such right-handed—twin—final resemblance as you roll out of a Jimmy pipe packed with Prince Albert! That's because P. A. has the quality.

You can't find your name among any of these items. You can get free air mail of a family desk. So, when you pick out Prince Albert, coming and going, and get up back half an hour earlier just to start smoking your pipe or rolling cigarettes, you can look the big price on the end of your line.

Prince Albert's quality alone puts it in a class of its own, and when you smoke it, you realize that P. A. is made to suit you, and it is the best tobacco for your enjoyment. It is the best tobacco for your enjoyment.
