Budweiser
Real Hop Malt Syrup

Anheuser-Busch not only pays an extra price for the right to take first choice of the finest hops grown in America and abroad, but sorts, grades and barleys—blends them with the selected hops—then fills the cans and labels them—all in the Anheuser-Busch plant at St. Louis.

It is this constant, absolute control of quality from raw material to finished product that makes Budweiser Real Hop Malt Syrup worthy of the name you see on the label.
