Mr. Phillips Verner gave a most interesting lecture to the students.

In the Sunday's issue of "The Orangeburg Times," Mr. Phillips Verner's lecture was published in a newspaper article. It seems that there was another lecture mentioned as well.

The article mentions about "Mr. Phillips Verner" and his lectures. It also includes a mention of "Mr. Yerman, gave that it would be necessary for him to go to the "white man's world," but the Baboon would be captured and shunted off in the "white man's world." The article concludes with a mention of "Mr. Phillips Verner," who apparently spoke in some capacity.

The article also mentions "Mr. Yerman." It seems to be a part of the same lecture given by Mr. Phillips Verner.

Furthermore, the article includes a comment about "Mr. Aiken, Mr. Brown, Mr. Aiken, Mr. Brown," and "Mr. Johnson, Mr. Johnson," indicating that these names are possibly related to the lecture or the writer of the article.

The article concludes with a mention of "Mr. Phillips Verner," who apparently gave a lecture and spoke about various topics.

In conclusion, the article provides an interesting glimpse into the lecture given by Mr. Phillips Verner, mentioning various names and topics related to the lecture.

HOGLESS LARD

The one and only absolutely pure cooking-fat that gives complete satisfaction under all culinary conditions. Far better than any other lard in the market, and always goes farther. As good as butter for all kinds of cooking, from bread-baking to fish-frying. Made by Nature, and, therefore, of natural purity.

O UR MOTTO:

Sims & Carter

Our motto is: 

Quick Sales and Short Profits—Small Profits and Large Sales.

We Buy With Cash and Sell for the Cash

When you buy from us you do not have to pay for the broker's or auctioneer's fees and other unnecessary expenses and losses of the merchant who adds on credit. We buy in bulk, and get the bottom price. We will make the same price that merchants are paying for their goods. We only ask that you give us a chance, and we will convince you that a dollar will buy more groceries.
