TRUST FUND TO HONOR WIFE'S MEMORY

A trust fund has been established to honor the memory of Mrs. Childs, who was recently taken sick and expired at the home of her daughter in Savannah. The fund was created by Mrs. Childs' husband, Mr. Childs, who was a prominent citizen of the town. The fund will be used to carry on missionary societies of the Spartan Methodist church and the Bethel Methodist church.

In addition to the trust fund, Mrs. Childs' husband also set aside a sum of money to be used for the benefit of the people of the town. The money will be used to improve the town's infrastructure and public services.

Mr. Childs' generosity is an example of how one person can make a difference in their community.

DIES OF HYDROPHOBIA FROM NURSING PET DOG

There is on this continent almost every variety of scene that the wide world can furnish. There are mountains which for majesty and grandeur rival that of any earthly wonder; stately rivers, magnificent lakes, boundless woods, mighty waterfalls. By virtue of improved highways and cheaper transportation this vast heritage is not appreciated as it ought to be. We are always seeking for those things which are in the ordinary, not for those that lie at our feet. It is not that which we hold in our hands or store away that makes up wealth; it is the faculty of fully appreciating and enjoying those things without which the world would be a vast sterile tract devoid of beauty as the moon with its crescents and burn-out craters, which nothing can redeem.

The girl was tried in the Circuit Court in the case of State v. Tammany the other day. The girl was found guilty of theft, but was found innocent of the charge of larceny.

THE LAW

The law is to be observed in all cases. It is the duty of all citizens to obey the law and to bring about justice. The law is the guide of all citizens.

ANOTHER THING NEEDED

There is another thing that the people of the town need. It is the law that the people of the town must obey. The law is the guide of all citizens.
