To be entitled to vote in the municipal elections, you must register today or Monday, unless you registered yesterday. When you register, you must show your county registration card and register in your precinct.

The article on "The Cathedral," which we reprinted in the Lancaster Telegraph, the other day was written by the Committee on Census and Surveyor's Bell. We have been trying both hands full to reprint the story, but we evidently got the facts from the same source.

We have received the April number of the The Exposition, a magazine devoted to the Carolina and West Indian Exposition. It contains a woodcut of the Cathedral, together with a detailed and interesting description of the various objects, and will be of great value to the public.

The amount of damages will be placed in the hands of Mr. Albert Rankin, and a warm municipal campaign, the Supreme Court.

The So
About twenty times an hour
all the blood in your body passes through and is filtered by your kidneys. What think this means? If the kidneys are not strong and healthy they do not extract all the poisonous matter from the blood and the result is sickness and misery. If you do not treat the cause any of the organs once more brought back to healthy activity.
