STUDENT GREETINGS

Greeting to Dean Kate C. Harden and new faculty members and officials of Winthrop! To you, The Johnsonian in behalf of the Student Body, extends a hearty welcome into the Life and Spirit of its college.

Inasmuch as new blood brings new life, we need you to instil into a new soul to the institution and to strengthen our fellowship by becoming a part of us. We welcome you!

ATTENTION, FRESHMEN

Class of 1906, "The Johnsonian" greets and welcomes you. You are now well started in your first year at Winthrop College. We say, you are now Winthorp daughters and as such "The Johnsonian" is as much yours as it is the most loyal Sophomore's or the most zealous Juniors. It is yours to help or hurt the college game by interest in it.

You have spent four years at Winthrop—varied and instructive these years are bound to be—delightful they can be if you care for the college. At Winthrop you come to college for the sole purpose of being able to enjoy the holidays? Will your whole time be spent talking of the holidays that are to come or are past? If so, you are not finding the profitable things for you to do to begin at once to enjoy the holiday of indefinite length.

Reckon the Winthorpe will have written to college Freshmen when we write: "It is a good and safe rule to enjoy in every place as if you mean to visit your school there, never omitting an opportunity of doing a kindness, or speaking a true word, or making a friend."

ACTIVITY FEE, A STEP FORWARD

Elderly college men are not the only ones to think of Winthrop as their campus that for the $4.25 Student Activity Fee. This fee, on the part of the Board of Trustees, this past summer, has assured much progress.

Not only are the Student Government, Athletic Association, and Johnsbuster agencies of the organizations included in the fee, strengthened, but also other college societies and activities. The expenses thus saved will enable students to support more of the other organizations, necessary to the growth and life of Winthrop.

Undoubtedly, the passage of this student fee is the most progressive and stimulating step taken lately toward the upbuilding of extra-curricular activities.

ECONOMY IN NEW UNIFORM PLAN

Inasmuch as young women have sometimes cost too little in comparison with the formerly ordered dresses and inasmuch as, for the first time, we have Winthorpea, we are quite pleased. Moreover, we did not have to wait for them.

They are good, and wear well, it is our fault; we chose the material of which they are made.

And should there be any kick against them, we are to blame. This plan was an authorized wish to save money, after we hooked on about being over-charged and miffed by the factory dressers.

A NICKLE TO THE GOOD

Thanks for the nickle.

The big feature of the week was the Saturday night picture at Main Auditorium. We save the approximately 85 cents (rough estimate—sometimes over a dollar) for $4.25; a very wise investment.

That's economy for our Dads!

Welcome to Rock Hill

The Fifth Congressional District's largest national bank welcomes you and patronizes their faculty and students. On the "girls in slacks" to Rock Hill, South Carolina and especially Winthrop, are indeed proud of Winthrop, the largest institution of its kind in the South. If the directors, officers, and employees of the Peoples National can do anything to make happier your stay in our midst, the pleasure will be ours.

We also desire to extend a warm welcome to those new families who have moved to Rock Hill to educate their daughters at Winthrop and their children at the splendid Training School and Kindergarten. Other parents may be induced to move to the "Good Town" for this purpose. If so, a communication addressed to this bank will meet with ready response and with the offer of the facilities of the Real Estate Department of the Peoples Trust Company, the affable of this bank. Desirable homes near Winthrop are available at attractive prices and rentals.

If the lawmakers of South Carolina would take it upon themselves to come to Rock Hill before the next Legislature convenes and personally familiarize themselves with Winthrop and its activities, they could vote more wisely on the needs and requirements of this great institution.

Again, Winthrop, you will always find our bank friendly to your needs.
