Wasson College May Move To Freeport

The Wasson College trustees have decided to move the college to Freeport, Illinois.

The move is necessary due to the deteriorating condition of the current campus, which is located in a remote area and lacks modern facilities.

The new campus will be located near the city center and will include state-of-the-art classrooms, dormitories, and athletic facilities.

The move will be completed by the fall of 1935, and the students will be transferred to the new campus as soon as the new facilities are ready.

BEAUTIFUL YOUTH

"Beautiful youth, level-eyed, full of faith, unselfish.-Commonwealth.-"We are given, in these words, a lively vision of what it means to be a Johnsonian girl as the college goes out into the future. The Young Women's Christian Association is a great social institution, the girl who is level-eyed will see to the heart of things because she is aware of what are the worth while things in life. She will have a lust to witness the things which the world says are beautiful, and she has helped her friend's true self.

The Johnsonian, the God of Wisdom, has shown the world that a young girl's faith in God and faith in herself is a very beautiful thing. The Johnsonian, "the "Y," through its discussions, its library, its committee work, and through its institute, has shown her a" Y" through the discussions, its library, its committee work, and through its institute, has shown her how to get her own faith in herself and in her God.

It is now for me to be faith in God and faith in herself, and it is this faith which is so very beautiful thing. The Johnsonian, "the "Y," through its discussions, its library, its committee work, and through its institute, has shown her how to get her own faith in herself and in her God.
