LISTEN TO **FACTS** ent on relatives of charity when he attains old age and is unable longer to earn a salary. 83 per cent of the men who reach 65 years of age are dependent upon relatives or charity. Accurate records show this to be an absolute fact. One of the best ways to be able to lay aside for old age is to be a consistent reader of advertisements. The ads tell you where to get the bargains. Buy there and bank the difference thereby becoming independent.

Summer Time Is Fan Time

Those "Good old Summer Days' are not far off and you will need an electric fan. We have a com-plete line including the oscillating.

The pleasure and comfort to be had from an electric fan is worth ten times the small price the electricity costs.

The price on electric fans has decreased considerably since last summer and we can now furnish them from \$9.45 up.

Come in and let us show you a complete assortment.

What Does It Cost to Stop Advertising?

You remember, James Pyle's Pearline. It had been advertised regularly from 1873 to 1907,

Then the trustees of the estate saw a brilliant chance to save money.

They cut out advertising.

Sales dropped like a clap hammer-profits went where soapsuds and bub-bles go. In 1914 Pearline, like Jess Wil-lard, tried to come back. But it was too late. The business was sold at a price which is said to have covered barely the value of the machinery and inventory.

Moral: A business will grow as long as it advertises.

A salesforce will thrive as long as it

You can't make progress against the current unless you keep rowing. But the harder you row, the faster you go.

How much will The News' readers spend in your store?

Doesn't the answer to that question epend upon you? depend upon you?
