The Chase Convention was held at Chester on Thursday, when the Democratic convention assembled. Two candidates were called to order promptly at 10 o'clock, and the roll was called by Mr. B. B. Edge, vice-president. The call of the roll was made by Mr. J. C. McAfee, secretary. The roll call showed that a quorum was present, and the chair declined the conventions ready for business. Mr. R. H. Rodman, chairman, R. B. Cassels, P. B. Rodman, J. W. White, Secretary, J. B. Wylie, Clerk, and T. M. Slack, Treasurer, were all present. A motion was carried to adjourn the convention until 10 o'clock Thursday morning.

The first item on the programme was the recall of Judge Parker, from New York, in a typical man for the proposition of the present Democratic party. Several amendments were proposed, among which Judge J. B. W. Grant was made a first-class political speaker pointing out the reasons why the present Democratic party is the true Democratic party, but the best available candidates for the state convention. The present ticket was not to be voted against it. Another amendment was unanimously adopted.

Resolved, That it is the unanimous recommendation of the Democratic party of South Carolina in convention that all candidates be disqualified and that all be voted against it. The resolution was adopted without a division.
