To raise funds for the eventual establishment of a physical education scholarship at Winthrop college, a circus, complete with parade, ring performance and side shows, will be presented by Sigma Gamma Nu, physical education majors' club, on Saturday, November 2, on the college athletic field.

This year's event will be the fifth annual circus sponsored by the Winthrop physical education majors' club. Funds from the four preceding events, totalling \$400, have been invested in savings bonds.

The proceeds from this year's circus will be added to that amount. Sigma Gamma Nu expects to continue the circus yearly until the investment is sufficient to establish a scholarship for a physical education student.

With the Winthrop college band participating, a parade around the campus will begin at 2 p.m., followed at 2:30 by the circus which will include ring performances of tumbling, dancing, horse acts and student "animal" acts.

Numerous sideshows will display fortune-tellers, clowns, magic shows, games, midgets and a menagerie. Refreshment booths will provide the usual circus fare with hot dogs, popcorn, peanuts and soda pop.

Tickets for admission to the grounds will cost ten cents; pennies will be charged for admission into sideshows and other events
