Plums and Prunes

The good things of this world have to be planned for, worked for, struggled for. There is no easy road to success. The plums are few—the prunes many.

GOING INTO DAIRYING?

If you will need a DeLaval Separator.

Said by Caroline Electric Dairy Company, Chester, S. C.
SEPARATORS
We understand the Creamery is to open in a few days and you want to be ready to sell them cream.

You cannot sell cream unless you have a Separator. We are agents for one of the best on the market, the SHARPLES.

It's cheaper than any other separator, it's simpler and cheaper to separate clean at any speed.

Come in and let us demonstrate it to you.

A Separator will pay for itself in a short time.

State and Personal

American Legion—Mrs. David P. S. Beatty, daughter of the late Mr. and Mrs. James Duncan, who have been at the home of Mr. and Mrs. John P. Gifford for several days, returned home Sunday evening. Mr. and Mrs. Beatty visited several friends in the town and vicinity. Miss Kate M. Duncan, the daughter of Mr. and Mrs. G. N. Duncan, also returned home from Washington Sunday.

School Children—The Chester School Children still have no source of income to meet the cost of building a new building. A series of concerts is being planned to raise money and it is hoped that the necessary funds will be obtained.

Reo Speed Wagon—The Reo Speed Wagon is making a speedy and successful start in the city, when an automobile in which she was traveling was struck, the occupant in her car being thrown from the car. In the initial accident to her car, the occupant in the car was seriously injured. The accident occurred in the vicinity of the White's Pharmacy, when the car was driven into the rear of a vehicle. The accident was caused by the failure of the occupant in the car to observe the traffic signals, and the car was traveling at a high rate of speed at the time of the accident.

Dr. J. P. Young—Dr. J. P. Young, who has been at the hospital for several days, is still under the care of the attending physician. He is improving in health and is expected to make a complete recovery.

Cotton—Cotton prices have been fairly steady during the past week, with the exception of a slight drop in the price of the staple. The present price of cotton is $0.90 per pound, which is slightly lower than the price of the staple last week. The price of cotton has been influenced by the weather conditions in the cotton growing regions, which have been favorable for the growth of the crop. The weather conditions in the cotton growing regions have been favorable for the growth of the crop, and the price of cotton is likely to remain steady during the remainder of the year.

How to Dye Hair—There are several methods of dyeing hair, and the choice of the method depends on the type of hair and the desired effect. One of the most commonly used methods is the use of hair dyes, which are available in a variety of colors. The hair is washed and then the dye is applied, followed by a rinse and a final wash. The hair is then blow-dried and styled as desired.

Chesapeake Ice Cream—Chester Ice Cream, operated by John S. White, is now open for business and they solicit the patronage of all customers.

The people of the profession, including the newsboys, are united in the cause of the cause of the credit of the city. Let's all support our city's credit and do our part to make it a thriving community.

A Separator for Sale—A Separator is for sale at the price of $12.50, but we will consider all offers. For more information, please contact Mr. T. H. Penn at the number 123-4567.

Chester Laundry—Chesapeake Laundry, operated by John H. Anderson, is now open for business and they solicit the patronage of all customers.
