HESSIA'S CAUSE AND REMEDY FOUND

The Hessia Demonstrations for the rights of Hessia were caused by rising sentiment among the inhabitants of Hessia. The government of Hessia has been slow to respond to the demands of the people, and there is a growing feeling that the rights of the people are not being respected.

BETTER CONDITIONS IN INTERIOR MEXICO

The government of Mexico has been working to improve conditions in the interior. Efforts have been made to establish schools and hospitals in remote areas, and there has been an increase in the number of teachers and medical personnel. These improvements have been welcomed by the people, who are beginning to see a decrease in poverty and disease.

PELLAGRA HAS EXCELLENT FAIR

The Pleasant Grove Fair has been a great success. The exhibits have been excellent, and there has been a large crowd in attendance. The fair has been well-organized, and the proceeds will be used to support the local community.

PROHIBITION BILL PASSED IN GEORGIA

A bill to prohibit the manufacture and sale of intoxicating beverages has been passed by the Georgia legislature. The bill has been signed by the governor, and it is now law. This is a significant victory for those who have been working to reduce the prevalence of alcoholism in the state.

WASHINGTON, June 15.—The cause of the Hessian cause and remedy has been the subject of much discussion. The government of Hessia has been criticized for its slow response to the demands of the people. There is a growing sentiment that the rights of the people are not being respected.

LONDON, June 15.—The Liverpool and Hamburg Pool was taken this morning to Augusta, where it was advertised by his wife, who was a Miss.

STOCKHOLDERS TO MEET

Special Meeting Will Be Held At Petersburg to Ratify Consolidation and Financial Plans

A special meeting of the shareholders will be held on May 31st, in the offices of the company in Petersburg, in order that the necessary steps may be taken for the ratification of the consolidation of the Atlantic Coast Line and the Savannah and Florida Railways, and the acquisition of the 21 miles of road now owned in common by the two companies.

The consolidation will be a strong syndicate of investors, the members of which are expected to be announced at the meeting. The stockholders will ratify the plan, which has already been approved by the board of directors.

A large proportion of the total vote is expected to be present. The meeting is to be held in the Petersburg Opera House.

The time of the directors of the former companies appointed as the board, Mr. W. W. Warfield of Charleston, and Mr. W. A. Hall of Savannah, will be announced at the meeting.

The American Railway economy is in the hands of the Seaboard Air Line Railway company, with the consolidation of the North and South Carolina railroads, and the creation of a new company, the Seaboard Air Line Railway Company.

The consolidation of the North and South Carolina railroads will be completed by Mr. Warfield in the near future. The stockholders of the new company will be the holders of 60 per cent of the stock of the old companies, and the remaining 40 per cent will be held by the directors.

The consolidation will be a part of the Seaboard Air Line Railway system, and will be a part of the Southern system of railroads. The line will be extended from Charleston, S. C., and Savannah, to the Atlantic coast, and will be a part of the main line of the Seaboard Air Line Railway system.

LIMESTONE FOUND

Quality Assured but Quantity Limited—Clothing to Fit Figures

CONIGLIA, Nov. 15 — There are several limestone deposits in Orangeburg county, but until now, not until now, have any steps been made to develop them. One of the limestone industries for agricultural purposes, a limestone quarry in this county, has been made the subject of a recent report. The limestone deposit is a small one, but it has been estimated that the deposit contains an estimated deposit of one ton of limestone. The limestone deposit contains an estimated deposit of one ton of limestone. The deposit is one of the largest in the state, and is very extensive in its outcrop. It has been estimated that the deposit is worth over $20,000. The deposit is in the town of Orangeburg, and is in the immediate vicinity of the city.
