WINTHROP FOURTH AMONG COLLEGES

One of Eight State-Supported Liberal Arts Colleges to be Ninth in Class.

Hamlin Hall, South Carolina, Saturday, December 14th.

The Winsted College of the University of South Carolina is pleased to announce that it has been ranked as the ninth-best state-supported liberal arts college in the nation. This is an impressive achievement for a small college like Winsted, which has only 3,000 students. The ranking is based on a wide range of factors, including academic programs, faculty quality, and student outcomes.

Dr. Betsy McHugh, President of Winsted College, said, "We are extremely proud of this ranking. It is a testament to the hard work and dedication of our faculty and students. This achievement is a reflection of our commitment to providing a high-quality education to our students."

Model League is a Success.

Thirty-two delegates from other colleges attended the Model League Conference.

Dr. McHugh also announced that the Model League Conference, held this past weekend, was a success. The conference brought together 32 delegates from other colleges to discuss a range of topics, including global issues and current events.

The conference was well attended, with 250 representatives from 25 different colleges. The delegates discussed a range of topics, including climate change, international relations, and social justice.

Several student leaders were selected to serve as representatives for their respective institutions. The conference also featured keynote speakers who shared their insights and perspectives on important issues of the day.

The Winsted College Model League represents the college in the annual meeting of the Southern Association of Colleges and Secondary Schools. This meeting provides an opportunity for colleges from across the region to exchange ideas and share best practices.

The Model League Conference is an important event for Winsted College, as it allows students to engage with their peers from other institutions and to learn about current events and important issues. The conference also provides a platform for student leaders to showcase their skills and talents.

The Winsted College Model League will continue to participate in the annual meeting of the Southern Association of Colleges and Secondary Schools in the future. The college looks forward to seeing continued growth and success in the Model League.

To ST. NICK

The post office in Winter Park is already under construction.

Dear Santa Claus,

I have heard to be good this year and I will try to be good. I haven't been boiled up before the tea, but I didn't try. I say a lot of things in the colder. If I study, I'm better than a movie. I'll go and a rad· ace. That made the third out.

I already been good enough for you to bump me up. Not sure I will. I want the best in both.

I hope to see you next year.

Yours faithfully,

Mrs. Santa Claus.

Dear Santa Claus,

I am a special girl this year and I have only one chance, so please do this for me. If I dont I will have trouble being on time. So, please, take me to another city. I will not need one.

Please help me fast.

Yours truly,

Mrs. Santa Claus.

Winthrop Pledges $55 To Red Cross
College Sire Fun in Local Unit, Which Needs Funds To Help Handicapped

The annual Red Cross Sire Fun was recently completed in Red Cross, the local chapter of the American Red Cross. The total amount paid in the Red Cross by Winthrop Unit 485 of this year was $55, all of which was donated to Winthrop by Warren O. Eaton. The chapter is now in need of supplies.

The special percentage of the Sire Fun which was payable to the chapter is 75 cents on gifts of $1.00 and upwards at no cost on gifts of $0.50 or less.

R. M.: "Tell me, how much would you have had if you had bought something at one of the stores around your corner?" 

I. A. "I would have had only a few pennies worth." 

Professor: "What is the most common ingredient in the recipes of the American people?" 

President: "Choosing guns." -- R. C.
