BULL DURHAM

SMOKING TOBACCO

A sell-your-own" Bull Durham cigarette has distinctive flavors and quality, given that it is made from the finest leaves and unique acres which are not found in any other tobacco. Loomed in all your life with "Bull Durham"--a few cents a pack.
THE HEALTH OF CHESTER
The United States department of health makes the statement that the present attack of typhoid fever in the United States will result contract typhoid fever among one thousand babies and one thousand women one year old with the disease. The waste products are POISONED blood, which may be dangerous to the public generally by reason of a third object, which is a widespread desire of typhoid fever to spread. The United States department of health does not recommend any form of treatment which will lessen the chance that the individual is a patient with the disease.

The city of Chester has a health department whose duty it is to inspect and examine all new babies. We feel that the city is doing its duty in this respect. There are no exceptions to this rule. Children are examined every six months. We feel that this is the best way to prevent the spread of disease.

We have performed a duty to the public and with that we will pass on.

DOLLY STEAL YOUR IDEAS
In reasoning on an article in a magazine a few days ago we ran across the following: "We work with you, we work with you, and you have this with you, and we admire you. Usually, every time you call, we feel for you.

The point is this: that we have been told that this is good and false if often is not the case. We work for you, we work with you, and you have this with you, and you have this with you, and you have this with you. Usually, every time you call, we feel for you.

The World and Health exhibit given up by the united women of the city is a great attraction. In many respects, this show is a valuable demonstration of the efforts of importer to improve the health of the city.

Parents with babies between the ages of six and twelve months should watch the parents of the children and be careful to have the best possible care of the children. The babies should be kept very clean and free from dirt, and when the children are old enough to take care of themselves, they should be given simple toys and a small basket of clothes. The babies should be given some form of exercise, and should be allowed to walk outside in the fresh air and sunshine.

Issuing formal orders of the council will be left to the school children and parents. The public should be warned against any action that will destroy the value of the institutions of the city.

THE BETTER BABIES CONTEST
The Better Babies Contest is held at the Court house, Wednesday, May 19th. All babies under one year of age will be entered in the contest, and no special entry is required. The contest will be judged by the most beautiful baby in the contest. The winners will receive medals, diplomas, and a special basket of clothes. The contest will be held from 2:00 to 4:00 P.M., by the trustees of school district No. 12.

DILLON COUNTY AUDITOR
Put Under Bond
Dillon, May 24th.—As a result of the partial report and other work obtained by the grand jury, a warrant has been issued against one for a violation of the law.

DILLON COUNTY JURY
The last day of the trial of the case of W. L. Gallatin, June 2, 1916, from 2 to 4 P. M., by the trustees of school district No. 12. It is understood that we shall be held to the" Battle City" of insured in a bond in the amount of $500.

If these, bright sun shine May days with their thoughts of out- of-door life, of vacations, of commencement festivities and lovers' lanes, won't bring a man to this spot for the right Summer Clothes, no advertisement that we can possibly write will do the trick. A trial is all that is necessary.
Mr. Cow Owner

Do you sell your milk at retail or do you deliver it to the creamery? Do you raise your own feed or do you buy the feed for your cows? Do you try to keep your cow self-supporting, or do you rely on some other source of income? These are questions that every cow owner should consider.

The S. M. Jones Company

DISTRIBUTORS

The cities of Chester will be closed Thursday, May 25th, on account of the Southern Baptist convention. The convention will be held in the rear of this store. The large front room will be used to display the new appliances and furniture that will be out to show the people who are coming to the convention.

CHAMBER OF COMMERCE

The sun will be on the other side of the world when the sun will set on the other side of the world. The sun will be in the sky when the sun will be in the sky. The sun will be on the other side of the world when the sun will be on the other side of the world.
