FOR RELEASE TUESDAY A.M.
NOV. 5 AND THEREAFTER

News Service

Representatives from women's colleges all over the state are expected to meet on the Winthrop college campus, Friday and Saturday, November 15-16, for the 1946 College Sports Play day.

Sports Play day is designed to provide an opportunity for participation in sports activities between Winthrop students and students of the other women's colleges throughout South Carolina. It does not purport to stimulate intercollegiate competition but is a means of creating friendliness and sportsmanship.

Schools expected to send representatives include Coker college, Hartsville; Converse college, Spartanburg; ~~Roxi~~ Erskine college, Due West; Columbia college, Columbia; and Limestone college, Gaffney.

Events of the sports program, scheduled to begin at 10 a.m. Saturday, will include hockey, soccer, speedball, tennis, archery and swimming.

Plans, begun at the 1945 Sports Play day, for the organization of a state women's college athletic conference, are expected to be completed at a business meeting Friday night. The conference, when organized, will be an affiliate of the National Athletic Federation of College Women. One delegate from each school participating in the Sports Play day program will attend the business conference.

Winthrop students who will take part in the sports events will be chosen from the physical education classes and activities clubs.
