We positively will not carry Clothing or any other Spring and Summer Goods over from one season to another, and as we do a strictly cash business we have no credit customers to dump off left-overs on, therefore we must get rid of these goods no matter how great the loss. This sale will abound with money-saving inducements that will truly prove a tonic for over-worked pockets. In order to prove to you what a tremendous sacrifice must be made we have mentioned a few of the extraordinary bargains that will be offered.

Bear in mind everything must go rapidly and that there are one thousand different articles which cannot be mentioned here.

We advise you to save this and bring it with you so there will be no chance of you not getting exactly the goods mentioned in this bill.

Satisfaction guaranteed in every instance or money promptly refunded. We caution you to come early. Merchants desiring to purchase a portion of this stock must call between the hours of 9 and 10 a.m. Everything marked in plain figures and will be sold positively as marked.

Announcements

For the Legislature.

The legislature is now in session and we find House of Representatives occupying the south room of the courthouse, and Senate, the north room.

The members of the House are all present and are busily engaged in passing various bills which are to be submitted to the people at the next election. The sessions are short, as the members have other business to attend to.

For the County.

The county is in a state of quiet and prosperity, and the people are enjoying the benefits of good government. The roads are in good condition, and the farms are well tended.

For the Community.

The community is making good progress, and we are happy to report that the schools are well attended, and the people are well instructed.

For the Country.

The country is in a state of peace and prosperity, and we are glad to report that the farmers are reaping the fruits of their labor.
