Scholars' Research Published Elsewhere

Some Scholars do not have work included here because they are working with their Mentors to publish their work in a peer-reviewed professional journal. Those Scholars and Mentors are listed below. Additionally, Maddie Diaz, Autumn Leggins, and Jesslyn Park completed Honor's theses and presented at conferences this year.

Brittany McCarver (C of C)

Mentor: Dr. Andy Doyle, History

Brittany's paper, *A People-Oriented Company: The Springs Cotton Mills and Welfare Work, 1887-1959* received the Margaret Watson Award from the Confederation of SC Local Historical Societies at the 2018 Landmark Conference. The CSCLHS retains the right to publish this paper.

Jessica Stevens

Mentor: Dr. Zachary Abernathy,
Mathematics

Quviah Streater

Mentor: Dr. Sarah Reiland, Psychology

Thank you

Scholars

Your commitment to excellence and persistence through multiple challenges are inspiring. The work presented here is the culmination of a long revise and submit process. Thank you for your diligence throughout that long process. The high quality of your research reflects well on you, your faculty mentor, and the program.

Mentors

Each faculty mentor sacrifices time that could be spent on his/her own scholarship to help grow the next generation of researchers. Our students and program could not be successful without your expertise and dedication. Thank you for the opportunity to partner with you to support these outstanding students. My gratitude to you, and for you, is boundless. The work you do with each Scholar is the most important aspect of our program.

Ms. Stephanie Bartlett

Since 2012, Ms. Bartlett's leadership in the writing components of our program has been critical to the success students have enjoyed in their research products, graduate admissions offers, and graduate fellowship awards. She has supported the Scholars and Director through the preparation and documentation of the Scholars' high quality research. Serving as Editor of this *Bulletin* is only one aspect of her work. Our written products would not be as impressive without your conscientious reviews and guidance. Thank you, Stephanie, for your exceptional service to Winthrop's McNair Program.

Dr. Matthew Hayes

As the McNair Stats and Methods Coach, you ensure Winthrop McNair research products are high quality. Thank you, Dr. Hayes, for meeting with the Scholars (and sometimes Mentors and staff) before, during, and after the McNair summer research internship to help them design their research projects and plan for analyses; walk them through the process of running, interpreting, and understanding their statistical analyses; and prepare them to disseminate their work at conferences and in writing.

Mrs. Barb Yeager & Ms. Ashley Watson

Our McNair program benefits every day from the creativity of Mrs. Yeager. Her development of the artwork on this *Bulletin* is one more example. Similarly, we are grateful to our G.A., Ms. Watson, for her daily support of the Scholars' research and graduate admissions pursuits. Thank you, Barb and Ashley, for all you do for our students and the Director.
