If Something Is Really Wrong... 

The Johnsonian returns, Campus Town Hall, is one of the three methods students use to discuss grievances against those who are able to look into the situation. Unfortunately, if unaddressed, these grievances against those who are unable to look into the situation is often the source of some of the problems that plague the campus. In the second part of the meeting this week, the Johnsonian presents a problem in the form of a letter written by an anonymous student. The letter is addressed to the Campus Town Hall and expresses concerns about the conduct of some faculty members. The issues raised in the letter are important, and if unresolved, may contribute to the climate of the campus. It is important for students to learn how to address these types of issues effectively, especially when they are unable to find a solution on their own. The Johnsonian will present a response to the letter and encourage students to take action if they feel that their concerns are not being addressed. The letter is attached to this article.

IF THE JOHNSONIAN

What We Live By

We Are People

We Are Not

The Johnsonian recently featured a letter written by a student in response to the Campus Town Hall. The letter contained a number of concerns, including issues related to the conduct of some faculty members. The issues raised in the letter are important, and if unresolved, may contribute to the climate of the campus. It is important for students to learn how to address these types of issues effectively, especially when they are unable to find a solution on their own. The Johnsonian will present a response to the letter and encourage students to take action if they feel that their concerns are not being addressed. The letter is attached to this article.
IRC Is Host To Convention

The International Astronomers Club was host to the foreign students who arrived on Saturday for the convention. The event was sponsored by the University of Colorado hosts.

The students met at the Shilo Inn at 7 o'clock Saturday afternoon for the convention. Following coffee, a gift-wrapped package was opened to the group. The event concluded with a tour of the University of Colorado present in the convention. They represented 30 countries.

The University president of the IRC was in charge of the program for the students.

Red Cross Course Is Announced

The Red Cross Water Safety Institute course for the spring begins on March 18 and will continue throughout the summer. The course will be taught by Miss Mary Blaise. Any student successfully completing it will receive the Red Cross certificate.

The course is open to any student, regardless of age. The certificate is a current swimmer's license certificate. An instructor will direct the course at the Hebron Club.

Campus Interviews on Cigarette Tests

Always a sucker for attractive bait, our aquatic brother wound off the deep and got caught on the quick-trick cigarette hook! But he warned his way out when he suddenly realized that cigarette millhogs can't be fooled off easily.

Millions of smoke have found, too, there's only one true test of cigarette millhogs.

It's the entable test—the 30-Day Camel Wildhogs Test, which simply asks you to try Camel as your steady smoke on a day-after-day, pack-after-pack basis. No easy judgment! Once you've tried Camel for 30 days in your "T.Zone" (I.' It With Them, 'Tis True), you'll see why...

After all the Mildness Tests...

Camel leads all other brands by billions
Recreation Roundup

JULIE PROTHRO

The Southern District Convention was quite successful, according to reports of those who attended. Although Miss Post had always imagined the ladies of Georgia would work out as the last minute, and she made the trip with several Watauga graduates from Charlotte, N.C., and Louisburg, Class of '50 and Mary McElroy, Class of '48. Other graduates she saw at the convention were: Miss Hattie Chesebrough of York, Miss Bryant and Jerrit Broth, Class of '51.

The Officials Club

Beefsteaks will be served on Tuesday night to renew basketball games. Adeline Smith and North Moore retired in Charlotte Wednesday night for a game in the conference. The P. E. work is doing very well.

You Might Wonder At First

about what the connection between Latin and physical education would be, you have heard that some of the south's P. E. teachers are going to help with the Latin Forum literature. They will hold in the recreation part of the Forum. The class in social education will be in charge, and the problem of "what to do" will probably involve all the classrooms where the work is done. It will be held this year.

I Finally Made It

...Yes, Ben Prox, the official Umpire Committee member, is back. This month's addition was added by Margaret Howell, southern editor. The paper is full of happenings around the Gym. Here's more,....I was informed by...and confirmed by the official as to whom the entire body of the official is a better address. "The Morgan Monitor." These events are going to help delight the entire South in Latin education.

As I wrote at the beginning of this column, there wasn't much writing to do in our section. So here's a chance to report the events I have been unable to report. I have been unable to report the events that I have been unable to report. The official as to whom the entire body of the official is a better address. The official is a better address. The official is a better address.

New Club Members Announced

There are new members in the Family Club. These are: Misses Margie Newsome, Louise Newsome, and Helen Newsome. The Family Club has been named by the Newsome family.

Compliments of F. W. WOOLWORTH

The pool's photograph can also be used by others in recreation swimming.

Modern Campus Swimming Pool Provides Recreation And Fun For Students At Almost Any Time, Any Season

By JULIE PROTHRO

The indoor swimming pool at the Piedmont Demonstration has some of the most complete facilities in the area. Equipped with flood lights and special whirlpool, diving, swimming and table tennis, the pool is open to all students in society and recreation. Two different sizes are on hand every weekday for instruction and protection.

There Is More Than Meets The Eye

The blue, blue water you see in the pool is a wonder of the world. Every 24 hours the water is completely turned over. This 10,000 gallons of water can through pipes into a tank at night, turn the water automatically by means. From there it runs through one of three filter tanks, where it is made clean for the chlorinating machine. This process, therefore, keeps the water clean and at the right temperature, which is about 82 degrees F. In order to keep the pool in top condition, the pool floor is cleaned twice a day.

Choir To Give Special Program

This week's choir trip appears in Assembly to give a special Choir program. Among their selections will be "O, Holy Night" by Felix Mendelssohn, and "He Is Born," by Edward Egan.

FLATBACKS

General medicine, including influenza, are the main complaints at the Flatback clinic. Several colds are also being reported. The worst cold patients are the ones who overeat. A good rule to remember is to eat only what you can comfortably eat. About three glasses of milk a day are recommended. A high-protein diet is often necessary for those who are convalescing. A diet of eggs, meats, and milk is recommended. A well-balanced diet is necessary for good health. A well-balanced diet is necessary for good health.

Be Happy-Go-Lucky!

In a cigarette, taste makes the difference—and luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the newspaper, in the cigarette, in the mouth, in the smoke. A Lucky . . . for two important reasons. First, L.S./M.F.T.-Lucky Strike means fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are made to taste faster . . . prepared leaf made of all five principal brands. Do reach for a Lucky. Enjoy the сигарету Lucky Strike ! Be Happy-Go-Lucky! Buy a carton today!
