HONEST, EFFECTIVE  
Growing
The Matter fact, all on account of the first two. ANTI-FERMENT has never (before) advertised direct to the  
public. In spite of this fact more has been sold every year  
than the year preceding. Its friends have recommended it to their friends because of the honesty of its  
claims and its effectiveness when used as directed.

WHAT IT IS RECOMMENDED FOR
That form of Dyspepsia in which the food ferments, o  
to a sour, before it is fully digested by the stomach; giving rise to Colic, Heart-burn, Distention or Flatulence.  
This sour, stagnant, half-digested food passing into the intestines acts as a foreign irritating body, and produces Diarrhoea, Dysentery or Flux, Inflammatory and dangerous diseases. 

WHY IT IS RECOMMENDED
ANTI-FERMENT helps nature neutralize the jeacid condition of the contents of the stomach and bowels, soothe inflamed and irritated surfaces, and stimulate the secretory glands into normal and easy action.

Get a bottle from your druggist today. If he can't supply you, address
Kuykeendal Chemical Co., Rock Hill, S. C.

Campbell's ANTI-FERMENT
For Mild Disorders of the Stomach and Bowels
“Ask Those Who Have Used It.”

NOTICE TO VOTERS.
Information has reached the undersigned that  
there is an unprec.ition among many of the voters in this precinct that County Director is to be nominated  
for the office of County Auditor. The undersigned desires to make it quite clear that under the law a County  
Director is to be nominated for the office of County Auditor and not, as is proposed, for that of County  
Director. The undersigned urges every voter to make himself familiar with the law, and to vote accordingly.

Mr. W. E. Taylor has returned from a trip to the East and South.

Mr. M. W. Alford has returned from a trip to the North and West.

Mrs. W. D. Jones and children have returned from a trip to the North and West.
The Indian Knew

The Indian drunk water that bubbled from Flagrock. His body was cool but silent; he'd had, he'd grounded.

He awoke his habits to the vigorous, outdoor life he led. As a result became abundantly healthy—active on the march or in the hunt.

You need a different kind of life, but you can enjoy the same glorious, vivid health. Adapt your habits to less vigorous exercise. Eat the right sort of food, exercise a certain amount daily, but above all—keep the pent-up food waste moving regularly out of your body. Nujol will help you do this.

Nujol works on an entirely new principle. Instead of forcing or releasing the system, it gently relaxes the food waste. This enables the proper flow greater in the veins of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it comes naturally out of the system.

Nujol thus prevents stagnation because it promotes regular, smooth, natural movements at short intervals—thus keeping the healthful habit in the body.

Nujol is sold by all druggists in white bottles only, bearing Nujol mark, West End Laboratories, Standard Mill 26, Church Street, Boston, New York, London, Toronto. Three fistfulls of D.D.:

The Modern Method of Treating an Old Complaint.

Nujol

For Constipation

Everybody Knows: Nujol—In Head Means

THE demand for Buick Valve-in-Head motor cars this season is even greater than in previous seasons, causing thousands of purchasers to postpone their Buick ownership by placing orders at a low price. Purchasers who prefer Buick quality and performances, realizing that the Buick trade mark is a symbol that represents a reputation built up twenty years in efficient and reliable automobile construction, are content to await their dealer's ability to make delivery of one of the famous Valve-in-Head motor cars.
