Early on Sunday morning the barn and stable of the Lancaster & Sons Company, at Lancaster, was destroyed by fire. Along with the barn, which was worth $15,000, and the stable, worth $5,000, all the horses in the building were lost. The barn had gained considerable headway before it was discovered, and the building could not be reached to rescue the horses.

The Clemson College Weekly News says: H. K. Sanders, Chester County Agent, fifteen minutes and club members visited the Sardis Jersey auction sale and enjoyed it. One club member stated that after he saw the hogs there he had reached the conclusion that he did not have a hog worth mentioning at all. It opened the eyes of the Duroc men and the club members to see a sow sell for $120.25.

STOMACH TROUBLE
Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with grease, I would spit it up. I began to have frequent sick headache. I had used pills and tablets, but I would be constipated. It just made my stomach so that I could not get rid of anything. I heard of a remedy called a stomach cure. I bought a package and found that it really worked. I have been taking it for several months, and now I feel that I have got rid of my stomach trouble. It is the best thing I have ever used."

Does it Pay to Advertise?

Recently we advertised our Suede Theo Pumps; they are great bargains. We sold a number of pairs and one fellow just went wild over them, but the poor guy didn't have the money to buy, so he broke into our store and made straight for those Suede Theo Pumps and the greedy buck took five pairs, however, we have a few pair left and you had better get them before another "night hawk" decides to take the balance.
IT COSTS NOTHING

It does not cost you one penny to list your property for sale with us, and we do not try to make you believe that we have a "buyer" just around the corner in order to get your property listed. We do business straight from the shoulder.

A man who will "trick" you into listing your property will "trick" YOU before he gets through.

If you list your property with us at an attractive figure we will come around with the buyer.
