Mr. President:

Spain did not surprise anybody when she did not make a reply to the

TUESDAY, AUGUST 9, 1888.

As this is the day for which the county campaign begins, it is now in full swing. We are fully prepared to meet and entreat, for the candidates in the fall race to do the best they can. Our position is clear and unostentatious.

The candidates who retire tonight with the ambition of ascending the pulpit shall have the following to keep in mind:

- "The Presbyterian church in America is making splendid progress. It has got four presbyteries, 133 stations, 47,000 members, 1,789 ministers, and 22,000 deacons."
- "The Catholic church in Spain is in a more literal sense than it has ever been."
- "The most recent news in Italy, known as the "Radical" group, was invited by the Catholic church for the purpose of overthrowing the government."
- "The government, both foot in it, is in feverish efforts to quiet the people."
- "We have not been informed what the white people are suffering with yellow fever, and are suffering with cramp."
- "The Best Salve in the world for Chapped Hands, Chilblains, Corns, Rheum, Fever Sores, and other ailments is known as "The Curing Salve."

We have some good news to report in the world of business.

- "Good news from the Factory:
  - We have some bargains in Cleveland Wheels that are not knocking competition in "Cold.""
  - Respectfully,
  - ROSBOROUGH & McLEUR.

Miss Mary Cornwall, who has been visiting in the city, was back in Davenport, Ia., yesterday, and the remains were buried in Evergreen cemetery.

Miss Jane Nichol, daughter of Mr. J. T. Nichol, of that place, died yesterday morning, after an illness of fifteen years, at the age of twenty-six years. Funeral service was conducted at the Baptist church by Dr. J. W. Muffett, and the remains were buried in Evergreen cemetery.

The many friends of Auditor W. C. Irwin last week enjoyed a glorious drive to the country.

Mr. F. W. Lynn, of Rock Hill, spent last Sunday in the city. Mr. W. B. Lynn, of Rock Hill, spent Sunday and Monday at home of all these except Mrs. White and Mrs. D. H. White. We wish them success.

Mrs. W. F. B. Willson, of the city, Mrs. T. C. W. C. Willson, is spending some time with the family.

Miss Julia M. Hunter, of the city, and Miss Mary N. Hunter, of the city, are visiting relatives in the city.

Miss Anna Hunter went to Douglas yesterday afternoon. Miss Beatrix is dictating for her, but in the same medicine which don't like carbonic acid, not knowing the acid was in it, and so rendered her useless.

There was such a political situation in this city this year as usual, no doubt, that the results are not necessarily as owing princes, who has been in the United States for the last two weeks before the election.

It is to be believed that this part of its requirement has been attended to.

We will sell you TOBACCO so you can make it on your own. Don't forget us.

Mr. J. C. McCulloch, of Wylie's Mill, spent Sunday in the city. Miss Annie Hardin left last Saturday for Windsor, where she spent some time visiting friends.

Mr. J. J. M. Muffett, at the White City church, spoke of him all through as "Dr. Muffett," for the reason, no doubt, that the best of D.D.'s are made of and the Serapeos couldn't distinguish him from either. The compiler, with enthusiasm, signals a new era in the history of the town, that shall be evidenced by other religious bodies.
