Unique Rainmaking.

One of the ablest rainmaking plots that has ever been adopted is in the Indian provinces. By means of a rocket its sends more than a mile in waterwars of every thickness. The rocket is released at the highest point, floats gently back to earth; the condensation being caused by the evaporation of ether. It is said to be decidedly efficacious even where there is scarcely a trace of cloud.

A Seventy Eight Pounder.

From J. H. Sutton, of Fort Mill, uns...

In the city Monday, and stated to the reporter that Mr. Abernathy, who runs a fishery at Jones Mill, on Catawba River, caught a Sturgeon in one of his traps a few days ago that weighed seventy eight and one half pounds. Mr. Abernathy took the monster fish to Fort Mill Monday and sold it for $120 to Mr. Lee Hall, who put it on exhibition. Mr. Abernathy was afraid to tackle the fish alive and did not attempt to remove it from the trap until he had shot it several times. This is perhaps the largest fish of any kind ever caught in this section of the state.

Stomach Troubles and Constipation

Feeling that there is some cash being spent for Groceries that should come to us, we have decided to sell two cars Eureka First Patent Flour at $2.25 per hundred; two cars Best Second Patent Flour at $2.00 per hundred. Every sack of this Flour guaranteed as represented or money refunded. We have splendid Bone Dry White Corn, White Clipped Oats, Sugar, Coffee, Meal, Lard, Salt, and almost everything you need. We will positively sell this stuff at wholesale prices, which is surely cheaper than any retail dealer can afford to sell. To do all this we must have the CASH. Don't ask us to charge it. We cannot.
