The term of railroads and rail stations.

The chairman of the board, wrote to the people of Chester County, why they should support me for railroad commissioner. I was principal assistant engine-

er of an important railroad in New York and received a salary of $5,000 a year. There was no way for me to earn a living at $50 a week and hold it 12 years, but to give my employer value received for the money paid me.

The period set during the dog days was from 3rd of July and the 11th of August.

Sirius, the dog star, other-wise called Canopus—which, for the reason, re-garded as the star of evil omen—is one of the numerous shots fired at this star was supposed to arm these boats with the gun would have to pay quite dearly the sight of the great Dog and, the traffic managers. The traffic managers, in the agreement with the majority of the board, and asked for a raise of rates on the same conditions. A PROTOCOL

Washington, August 10—The

negotiations leading toward

the confirmation of peace

between the United States and

Spain have continued steadily

throughout the summer, and

it is expected that an agreement

will be reached in the near future.

The two delegations have

been working closely together,

and it is believed that a

solution to the basic issues will be

reached soon. The United States

is seeking to maintain its

40 million dollar war indemnity

and the cession of Cuba and

Puerto Rico. Spain is

demanding the resumption of

hostilities, and the return of

American prisoners of war.
