People made fun of Noah when he was building the ark—they didn’t believe there would be a flood, but there was and you doubtless have an idea what happened to those who did not listen.

The boll weevil has financially ruined thousands of people and today it is found in Chester County. Possibly you are a doubting Thomas and don’t believe it will hurt you. Better think about what happened to the doubting Thomas during the flood.
Ladies’ Silk Cheffon Stockings in Black and Brown

$1.50

Mr. Hellman, who is now in the market, picked these up from a merchant who needed them. The stockings of this kind are worth more than $18.00 per dozen wholesale.

H. L. Schlossburg

Come on along!

Fill up your makin’s. papers with P. A.

Greatest sport you know to pull out your mail papers and some Prince Albert and light a cigarette. That’s because it is so delightfully good and refreshing. It just like it in a Jimmy pipe. You can light it or get your fill—P. A. is a joyously friendly and appealing.

Prince Albert will be a revelation to your taste! No other tobacco at any price is in the class! And, it rolls up easily because it’s cramp cut. You get the best you ever had that you’ll like. Prince Albert is better than any cigarette you ever rolled.

And insist! If you have a Jimmy pipe, a Jimmy pipe, you can get away with it. You can have your pipe and your cigarette! It’s a revelation to a pipe as well as to a cigarette—P. A. can’t be beat. Both are cut out for you by our exclusive patented process.

FRIDAY, AUGUST 12.
Mr. Merchant and others who use printing of any kind, there is no use of your sending printing to Spartanburg, Baltimore, New York and Louisville when it can be done in Chester.

Seventy-three per cent of the Job Printing done by the Chester News during the month of July has been sent by customers out of Chester, some of them being rated in Bradstreet's at a million and a half dollars. If The Chester News is in position to handle printing for Million Dollar concerns it is in position to handle yours too.

Every dollar a Chester merchant spends with The Chester News remains in Chester.

If It's Printing See us!

THE CHESTER NEWS

Motor Efficiency vs. Gasoline Efficiency

Why the Standard Oil Company (New Jersey) Maintains a Great Experimental Department

There is a point beyond which the efficiency of a motor car or truck cannot be guaranteed by its manufacturer. Thousand dollar cars have been known to render longer and more satisfactory service than others which were valued at two or three times as much.

Mechanically your "job" was perfect when it came to you from the factory. The best of materials, constructed with the price of the car, were used in its construction. The car was as nearly ready for efficient service as the manufacturers could make it.

How do you select Motor Fuel?

From this point the responsibility for the misapplication of your motor lies largely with you (who must select and purchase fuel and lubricants) and with the dealers.

Your task is to find a consistently good gasoline. Adjust your carburetor to it, and use no other. Our work is to see that this gasoline is constantly up to standard; to make sure that you can get it wherever your business or pleasure takes you in the field served by the Standard Oil Co. (N.J.) to improve it when possible through the efforts of specialists in our Development Department.

Fellows Report Guidance

Our development men are at work seeking still further to improve our products. These experts have devoted their lives entirely to the refining business and the relations between the properties of the oils and the services which they render. They deal only in facts. You can't go wrong in following their guidance.

STANDARD OIL COMPANY (New Jersey)

Refiners of the best gasoline obtainable.
