TUESDAY, OCTOBER 7.

Clergymen of the Episcopal Church will be prohibited from officiating at the marriage of any person who has been divorced, if the general assembly of the denomination to open in Detroit, Mich., October 8, adopts the report of a joint commission of bishops, clergy and laymen.

Claims by steel company officials that five mills in the Pittsburgh district heretofore closed, reported yesterday, featured the opening of the third week of the steel strike which has directly and indirectly affected 500,000 workers. The plants reported to have opened are at Donora and four at Monessen. No figures as to the number of men returning to work were available, but no claims were made of any serious general defections in the strikers' ranks.

Germany's Suffragettes, who are not militant, have been quick to seize the opportunities for equal rights with men that are offered by the new constitution. Greater Berlin last week gained the honor of choosing a woman as Alderman, the first to hold the place. Koloszewski, a Berlin suburb made famous by the laughable exploit of William Voigt, the cobbler, elected as Alderman Frau Emmel. Emm, an ultra-radical, independent Socialist, Potsdam too has elected its first woman Town Councilor, Frau-lein Krause, an employee in a telegraph office.

President Samuel Gompers of the American Federation of Labor said Saturday he did not believe the laboring men of the United States

would obey a law requiring compulsory arbitration even if it were held valid by the Supreme Court. His statement was made before the House Committee on Interstate and Foreign Commerce, where he appeared with Vice President, W. N. Doak of the Brotherhood of Railway Trainmen to oppose initiation of a legislative change in the pending Railroad Bill.

Arrest of Doctor Follows Verdict in Case Causing Excitement in Florence, County.

Florence, Oct. 4.—Dr. Covington Lee of Cocharis was arrested this morning on a warrant issued by the grand jury of Florence county, based on the verdict of the coroner's jury which yesterday investigated the death of Mrs. Walter Anderson of New Hope, Florence county. Mrs. Anderson died on Saturday, September 27, following her confinement on September 26. Dr. Lee being the physician in attendance.

Yesterday Coroner Smith ordered the body examined, and after an examination by jury and physicians the jury rendered a verdict that "Mrs. Anderson came to her death by negligence of the attending and, we therefore, hold that Covington Lee criminally responsible for her death."

The headless body of an infant was found in a grave beside that of the dead mother.

A sister of the dead woman, her husband and the midwife gave testimony at the hearing yesterday. Dr. Lee is arranging to give bond this afternoon in the sum of \$5,000 for his appearance at the court of central sessions.

The case has caused some excitement in the neighborhood where the Andersons have lived for some time. Mrs. Anderson was about 39 years of age. She was the mother of three children and was said to be in the best of health.

The dust of late has caused a number of citizens to complain about the city not operating the street sprinkler. The fact that the street sprinkler is not operated more is due to the water works plant and not to any shortage of water. #### MOB BURNS TWO NEGROES AND SHOTS ANOTHER IN LINCOLN COUNTY, GEORGIA

One Had Killed a Deputy, Second Helped Him Escape While Third Missed a Poise.

Washington, Ga., Oct. 6.—Three negroes had been killed, two being burned at the stake early today, as a result of the fatal shooting of Deputy Sheriff Red Freeman, near Lincolnton, in Lincoln county, Saturday night. Jack Gordon and Will Brown, the latter being a negro who is alleged to have taken Gordon in an automobile from the scene of the shooting Saturday night, were burned at the stake shortly before daylight today by a mob of a thousand persons, after Gordon had been taken from Lincoln county officers.

Mose Freeman, a negro charged with misleading members of a mob hunting Gordon, was shot to death when he tried to escape.

Deputy Freeman, who was shot through an eye, the bullet lodging in his brain, died this afternoon and will be buried at Lincolnton tomorrow.

The 'Gypsy' Smith meeting, Saturday night, in Lincoln county, Saturday night, was so unpropitious and showed no signs of life when friends hurried to the scene of the shooting. Last reports from Lincoln county tonight indicated all was quiet and no further trouble is anticipated unless negroes Gordon is said to have implicated are found. A report hunt is in progress for these men.

Gordon was caught five miles from here late Sunday and kept in jail until 2 o'clock this morning, when he was turned over to Lincoln county officers. Once in Lincoln county, he was seized Gordon, brought up Brown, who had been caught earlier in the day, and fastened both to an old wagon axle. Waxed and trash piled around the negroes and the torch applied.

#### COTTON LEADERS RENEW EFFORTS

To Make Special Appeal for Members This Month.

Columbia, Oct. 5.—A final effort to enroll as members of the South Carolina Association all of the farmers, merchants, bankers and professional men who have not yet joined will be made during the next four weeks, according to an announcement made from State headquarters in Columbia.

In some sections of the State the membership campaign has been a wonderful success, says a statement by the association. In others the campaign has not been as successful as the officers of the association desired.

J. Stottown Wannamaker, president of the association, has issued this appeal to the people of the State.

If you are satisfied to accept 16 to 20 cents a pound for your cotton you need not join the South Carolina Cotton Association. If, however, you feel that you are entitled to a living profit from it and that if you are to educate your children and keep your family provided with the comforts of life it will be necessary for you to get 40 or 45 cents a pound for it, let me urge you to join the association.

If the cotton farmers will organize they can demand a fair price for their cotton. The fruit growers organized and they are now getting a living price for their product. The grain growers organized and they are now securing a living price for their product. The cotton farmers can demand a living price for their product if they will organize.

The prosperity of the whole South is dependent upon the cotton farmer. If cotton brings a good price the South prospers. If the price is low and the farmers have no money the South suffers. The banker, the merchant and the business man depend upon the farmer for their living; that is, they should join.

Reports from over the belt indicate that the State's cotton belt are organizing strongly. I hope South Carolina will keep pace with them. I want to make this final appeal to the people of my State to join the association. The returns will be great.

#### Annual Baldwin Mill Fair

The annual fair at the Baldwin Mills in Chester was held last Saturday and was up to the usual standard.

Governor Robert W. Cooper was scheduled to make an address but was unable to be present and Col. A. L. Gaston of Chester, addressed the crowd.

Col. Gaston made an excellent talk which was thoroughly enjoyed by the large crowd present. Addresses were also made by President Alexander Louie, of the Baldwin Mills; Mr. L. P. Hollis, Greenville, who is engaged in mill welfare work and Mr. W. H. Wylie, of Rock Hill.

After the speaking one of the big purchases was opened where the exhibits were on display. The Baldwin Mill band furnished music for the occasion.

At one o'clock a barbecue was served on the grounds adjoining the hotel and was enjoyed by a large crowd. The supply of establish was plentiful.

Prof. T. H. Glenn Re signs.

T. H. Glenn, of Chester, who was elected Superintendent of the Yorkville graded school, but who has been unable to take up his duties, has resigned his position because of continued ill health. He addressed a letter to the trustees of the Yorkville school this week tendering his resignation. G. C. McCutney will continue to act as Superintendent of the school until Mr. Glenn's resignation has been elected. The position carries a salary of \$1,800 a year. Yorkville Enquirer, Oct. 3rd.

**Don't lose any of that good Virginia-Carolina Taste**

SUN-ripened—mellow Virginia-Carolina tobacco has a lively, appetizing taste that other tobaccos do not have.

But, mark this—Virginia-Carolina tastes best when smoked straight. Mixing it with other leaf takes away some of that fine fullness of flavor.

If you want the real Virginia-Carolina flavor—all of it—smoke Piedmont.

NOTE—Virginia-Carolina tobacco, unlike foreign-grown tobacco, has no import duty to pay. That is why Piedmont's quality does not cost you more. Import duty does not make a cigarette taste any better. Why not get all your money's worth in tobacco quality?

**PE-RU-NA**  
Worth Its Weight In Gold

You cannot mistake the name of Mr. W. W. Northrup, of 1909 Fourth Street, Sioux City, Iowa. He is enthusiastic about his present health and the merits of PE-RU-NA and wants everyone to know it. Here is a recent letter from him—

"PE-RU-NA is worth its weight in gold and these times. I used to think it was a woman's remedy but have changed my mind. I had a cough, especially in the morning. After using but a little of PE-RU-NA, my cough better. I would cough up clumps of phlegm and mucus, my eyes itched and both, and my head, feeling from the vapors given off by my sinuses it was awful. My sinuses are in much better condition since using your medicine."

"It is the best thing I have ever used. Don't be misled by the name of PE-RU-NA."  
—W. W. NORTHRUP.

There are thousands just like Mr. Northrup, skeptical at first but convinced by a trial of PE-RU-NA.

**Teachers' Play.**

If teachers were big fairies,  
Living in fields of daff,  
And needed not to eat or dress,  
Or heed the dinner bell;  
If they could wave a fairy wand,  
And so turn work to play,  
Why, then, I think the teachers  
Could do without their pay.  
They teach some twenty subjects,  
Police the grounds and hall;  
They're bankers, Real Estate agents,  
Health christies, one and all;  
They're faithful to their duties,  
I wonder what you'd say  
If they'd neglect your children  
As you neglect their pay.

**Bookkeeping's recreation.**

A pretty little game,  
At which they play quite often  
Beside the midnight flame;  
And then they say their prayers,  
When not too tired to pray,  
And ask the Lord for strength to  
teach  
And toil another day,  
If humans were but human,  
They'd ply the golden rule  
And pay these weary teachers,  
And prize the public school;  
They're kind to aged horses,  
They turn them out to hay,  
But teachers must teach and on,  
Though worn and bent and gray,  
Not all your gold and treasures  
Could ever half repay  
The patience and the care they give  
Your children's day by day.  
Then grade them not by an honest  
wage,  
Till all too tight a toll,

**A Rose Garden.**

A hundred years from now, dear heart,  
We shall not care at all;  
It will not matter then a whit,  
The honey or the gall.  
The summer days that we have known  
Will all forgotten be and flown;  
The green will be overgrown  
Where now the roses fall.  
A hundred years from now, dear heart,  
We shall not mind the pain;  
The throbbing crimson tides of life  
Will not have left a stain.  
The songs we sing together, dear,  
The dreams we dream together here,  
Will mean no more than means a tear  
Amid a summer rain.

A hundred years from now, dear heart,  
The grief will all be o'er;  
The sea of care will surge in vain,  
Upon a careless shore.  
These glasses we turn down today  
Here at the parting of the way,  
We shall be wiser then as they,  
And will not mind it more.  
A hundred years from now, dear heart,  
We shall not know our care,  
Or followed love's despair.  
Then fill the glasses up again,  
And kiss 'em through the roseleaf rain.  
We'll build our castles now in Spain,  
And dream one more dream there.
