# Political Science Department Provides Resources for Election

## Quick Facts

- Students living in South Carolina have until Oct. 4 to register to vote in the upcoming election.
- Web link provided for national voter registration form.

ROCK HILL, S.C. - As the Nov. 4 election approaches, the [Department of Political Science](#) has developed a set of "**Frequently Asked Questions**" for students wanting to vote in national, state and local races.

It is available by following the link on the department's Web page at <http://www.winthrop.edu/plsc>. The deadline to register to vote in South Carolina is Oct. 4.

Most of the information is relevant only to South Carolina and/or York County but there is a link to a "**national voter registration form**," which is accepted by most but not all states, and links to a list of state election agencies. Both of these pieces of information are targeted specifically to out-of-state students.

There are also links to the **South Carolina voter registration form** and **absentee ballot application**. In South Carolina, county election commissions must receive absentee ballots by 7 p.m. on Nov. 4.

Faculty members developed the "**Frequently Asked Questions**" in consultation with personnel in Student Affairs and the chair of the York County Election Commission.

Winthrop will be closed on Election Day.
