NEPONSET

Floor Covering and making a Special Price at 65c a Square Yard

The Clark Furniture Company's House Industries have made the exclusive use of NEPONSET FLOOR COVERING in this vicinity. The yarn used is manufactured by the American Woolen Company and is of the choicest quality. The manufacturers have sent a special factory representative, who will be with us this week, to demonstrate the manifold advantages of NEPONSET floor covering. These won't sink in and spread. Refreshing to the eye and highly sanitary.

Thick and tough. Wonderfully resilient to the step. Easy to keep clean. Resists dirt without taking it in. Article offers special suitability for kitchen, bed-rooms, hall-rooms, play rooms, pantry-rooms, garages, halls and closets. Makes a neglected room look like new. Comes in colors and patterns to suit every taste.

The instability and lack of attention to detail, which is the cause of much of the trouble and loss in this country, is harmful to the growth of the country, and must be corrected. We are at present considering various plans for the promotion of a more efficient system of producing and distributing food, and we will be glad to hear from any one who is interested in this subject.

The Luxurious Chandler Sedan Appeals To Your Good Taste

Not only to your good taste in judgment of beautiful body design, fine finish and nicety of detail, but to your good taste in judgment of motor cars as motor cars.

You would fail to ask for better upg or greater comfort than is provided in this handsome Fisher-built Chandler Sedan. And you could not find in any car a greater mechanical efficiency that is embodied in the Chandler chassis.

It is hardly necessary that we should elaborate upon this mechanical superiority of the Chandler Six chassis, distinguished from more than four years past by its marvelous motor, but we would emphasize the importance of choosing your closed car quite as carefully from the mechanical standpoint as you would choose an open car.

Nearly forty thousand Chandler owners have proven the superiority of Chandler power, Chandler stability, Chandler endurance and Chandler economy.

The Chandler Sedan is the twenty car, for service in all seasons. All the windows in the largest car and the window posts are removable. The body is remarkably and substantially built. In every detail of its appointments it will please you.
