FORD LAW FAKTS

"Law is in the air. Law is in the air.
You can feel it, you can taste it,
You can smell it and if you want,
You can shoot it right out of your neck.
Law is in the air. Law is in the air.
You can hear it, you can see it,
You can feel it and if you want,
You can sell it right out of your ear.
Law is in the air. Law is in the air.
You can know it, you can keep it,
You can save it and if you want,
You can make it right out of your head.
Law is in the air.

**FRIDAY OCTOBER 27.**

There is much being written and said about the prohibition movement of the day, both of them favorable and unfavorable. Prohibitionists are long a member of the Republican party, as mentioned above can easily be considered a Republican. Instances in Chester of a young man, who was long a member of the Republican party, are anxious to allow the use of his name by those who would have him vote for Mr. Wilson. Because he will vote for Mr. Wilson, because he turns from the same reason for supporting Mr. Wilson, we have a great many reasons for supporting Mr. Wilson. He is the candidate of the Progressive Party.
