A Worthy Old Negro Killed.

Lancaster, Nov. 29.—A worthy old negro who was accidentally shot to death near this place. The negro was a well-known resident of the neighborhood and was respected by all who knew him. The accident occurred while he was working on a farm.

He had just returned from market and was returning to his home when the tragic incident occurred. The cause of the accident is still unknown, but it is believed that it was caused by a misfire of a shotgun. The negro was pronounced dead on arrival at the hospital.

The funeral will be held tomorrow at the Baptist church, and the body will be taken to the cemetery for burial. The community is deeply saddened by this loss, and the family is mourning the loss of a dear member.

Valuable Farming Leads for Sale on Easy Terms.

THE price of railroads, land, and farming is rapidly climbing. When should the farmer act? Now! He who waits may possibly lose. Railroads make land valuable. The farmer who has not bought his railroad property yet, had better buy it at once. Railroads areBought by the million. A wise man will buy them. The man who works and pays as he goes, will learn a lesson. Those who have not yet paid in full, should not wait. They should not.

A COMMON ERROR.

The Same Mistake is Made by Many Chester People.

When the trouble comes from the washout of a small ferry in the bottom, the farmer can generally be trusted. He is not ready to buy. The farmer says, "I don't want to buy a farm now. I will wait and see what will happen." The farmer is ready to buy, if he knows what he wants and where he wants it. He will pay for it. He will pay for it. He will pay for it.

A farmer who has been in business for a long time, and has not bought his railroad property yet, had better buy it at once. He who waits may possibly lose. Railroads are bought by the million. A wise man will buy them. Those who have not yet paid in full, should not wait. They should not.
