Will less than forty per cent of the normal outlet of Birmingham coal being produced, the nation is facing its most serious period since the strike of soft coal mines, according to reports received Wednesday by the railroad administration in Washington. In scores of cities the number of industries in operation is rapidly falling, while the nation's coal bins continue to diminish.

After agreeing to the cut of 10 per cent in newspaper paper consumption in 1920, based on the peak months of 1919, members of the Southern Newspaper Publishers' association in session in Birmingham Ala., adjourned Wednesday after noon subject to the call of the president.

SAYS AMERICA MUST STOP BEING SEWER FOR EUROPE
View President Marshall Says There is a Slump in Patriotism of American People.
Richmond, Va., Nov. 26.—America must stop being a sewer for Europe, which is dropping all its undesirable things on our neck, and stop being an anarchist and a bomb thrower, of the other world. This was the declaration of Vice President Thomas R. Marshall here tonight when he appeared at a meeting arranged by a fraternal order. "Speaking of the social unrest," Marshall said.

"There is a slump in the patriotism of the American people at this time. The glow of patriotism that shone through the war is now fading and men are looking at each other with doubtful eyes. Use the doubtful eyes, get up them in watching the I. W. W., the bomb throwers, and the reds who may find lodgment in our cities and states to such extent that they may destroy our republic. We want people from other countries who seek liberty to come to our shores, but if they come they must admit America as a home and Americans, otherwise I am for a government which will take these people by their necks and throw them out of the country."

POISON IN GIRL'S DEATH
Ball more Officers to Hold Autopsies Over Death of Miss Sharp of Winston Salem.
Winston-Salem, N. C., Nov. 26.—Officers from Baltimore are expected to arrive here tomorrow to investigate the case of the death of Miss Lucile Sharp, of this city, in Baltimore last Saturday night.

Miss Sharp, whose mother resided here, had been working in that city and her sudden death raised a suspicion that she was poisoned, according to messages received by local officers. Two men have been arrested in Baltimore and are being held pending an investigation. The remains of the girl were brought here on Sunday and a Monday autopsy was made in Woodland cemetery. The result certifies that the cause of her death was B. C. disease. It is understood that the Baltimore officers are coming here to have an autopsy held so see if her death was caused by poison. The dead girl's mother is protesting over the affair. She was summoned to Baltimore last Saturday when it was discovered that the daughter's condition was serious.

She accompanied the body home. The Baltimore papers have wire here today for stories regarding the investigation to be made here.

The man who was arrested several days ago in Gasblonia and brought to Chester where he was placed in jail, has proven to be Walter U. Church, who killed Robert Bold at Lando about twenty-one years ago. A gentleman from Union, near Chester yesterday and identified the man in jail positively as Walter U. Church and not Nathan Ketchum. Sheriff Anderson has released U. Church.

FOR UP-TO-DATE auto tops and upholstery call on Burdell and Benoit. We have a man that knows how. Give us a trial. 112 Columbia Street.

TRESPASS NOTICE

STATE ANNUAL CONVENTION
Chester's Representation Was Fairly Good—Go to Charleston Next Year—Other Matters of Interest.
Our State Annual Convention, which met at Sumter recently was great in every particular. Chester's representation was fairly good, having six present, with our Superintendent, also Miss Bessie Tibbe of Great Falls, representing Long Creek Academy.

We go to Charleston next year on the gay basis, and with every organization allowed representation, and not limited as this year. Chester's report was not like what we would like to have had, but we made every appointment, speaking in some instances, and we had two Honor Roll societies. We show up poorly in number of Missions. Study classes and number of Junior organizations. With Mrs. W. W. Coe, Chester, as one new Associate Superintendent of South Carolina, we should go forward in the important work of training our children in Christian service. Will not the mothers in our association see to it that their children are members of a "Sabbath" band, and will they not see that a proper leader is found? Surely we have more good women who are willing to undertake this "blessed work." Let's change Chester's record along that line, and her write to Mrs. B. D. Fitzgerald, for information, and let the "Mission Study class" in every organization for the coming winter months.

There are several fine books at which we can get certificates, and these will give us much pleasure and information. They are interesting works for the children, and they get certificates without standing examinations. Let's have more mission study classes.

Perhaps you have been wondering about appointment cards? The following matters were decided at our State meeting: That the W. M. U. of each church, except as its own appointment the "bridge made by the women" young women's society, Royal and girls, and boys of that age, and children, striving to make the minimum one-fifth of the church appointment. This to be authorized from the directors of campaign, who are to send their gifts through our M. E. State minister, Miss Jessie King, either in cash or receipt. All organizers in our churches are asked to please see that all pieces of our own money and children are marked "Credit to W. M. U." and after the drive to send to me (Supt. W. M. U.) the amounts so pledged. Please do this as early after the drive as possible that I may know how to report Chester, W. M. U. part at success.

Let's be very prayerful all our drive is over that we may do our duty bravely, and that the Lord will really be honored in our giving. Read just how Romans 12, and let make this year the best in our lives in actual service for our Master. —Mrs. J. B. Moore, Supt. Fort Lawn, S. C.
Massy Case Continued.
The following item is from the *Rockville Register of Times*:
The case of Mrs. Jesse Huey Cannon Massey, wife of the late Barton R. Massey who has brought suit against the Seaboard Air Line Railway for \$30,000 damages for alleged injuries received a number of months ago when an automobile in which she sat with her husband and two children were riding came in contact with a Seaboard train near Lawds Junction on the 17th of July, 1919. Suit was filed for the plaintiff advocating trial by the approaching grand jury. The counsel for the defendant opposed on the ground that J. L. Hooton of Chester, leading counsel for the defendant could be unable to affect because of an attack of paralysis in June. Suit was discontinued at the case until the return of the defendant.

A trip through the rural sections of Chester county convulses one who has for the first time this year has all travel stopped and has been picked up by a car and driven to a considerable distance to the doctor, but the majority of fields are pretty clean.

Meets Tuesday

At a meeting held Tuesday evening at the Chamber of Commerce on Tuesday, November 27th, at 8:30 P. M. when Mrs. Lettie Abell became the bride of Dr. Baxter Lindsay Crawford, of Philadelphia, Pa.

Mrs. and Mrs. Abell welcomed the guests who were present at the ceremony, which was held at the home of Mrs. G. W. Young of Clinton, and the bride and groom were accompanied by Mrs. E. W. Young and Miss Rebecca Harner.

The decorations were tastefully carried out in white and green while the aisle combined with these in the dining room. Myriads of candles lent a fairy glow to the ceremony, room and altar.

Miss Nellie Moore's cultured voice was at its best in the selection she sang before the ceremony. Miss Frances Burgess, of Chicago College, accompanied her on the piano while Mrs. James Glenn's tender voice aided the obligato.

At 10 o'clock the wedding march sounded and Dr. Baxter Abell and Mrs. Stewart Abell opened the bridal aisle.

The bride was escorted by Miss Lois Sample, in pink with Miss Louise Gay in green; Miss Ellen Crawford in pink with Miss Harriet McCay in blue; Miss Annie Bell and Leiland Young were next in the procession. Preceding the bride was the ring bearer, small Edward Crawford Abell, with the ring carried carefully on a silver tray.

The bride entered with her brother, Mr. Stewart Abell, who gave her in marriage. Her beautiful toilette of ivory satin, tastefully accented with a blue sash and pearl-encrusted hair ornaments, was the admiration of all present. Her veil was strikingly becoming. She carried an ornate bouquet of white and pink flowers, and a string of pearls. Her maid and damper carried Kieran roses and Miss Ellen Crawford carried the floral bouquet which was tossed after the ceremony.

The bride was met at the altar by the groom and his best man, Dr. Hopkins of Richmond, and the ceremony was performed by the bride's pastor, Rev. F. R. Riddle.

In the dining room, a superb lunch of cream and oysters, served the following ladies assisted: Mesdames S. W. Guy, Hugh Harris, F. Union, Mrs. M. C. McLean, Rev. H. H. Chandler, Key, Robt. Abell and Van Dine Davidson.

Mr. and Mrs. H. R. Sims of Onauchore presided over the brilliant reception.

The groom served his dinner with distinction, during the war, having enlisted in the Medical Corps. He now occupies a chair in the Jefferson Medical College, Philadelphia, Pa. He is a son of the late Mr. and Mrs. Sam W. Crawford of this county.

The bride is the beloved center of a large circle of friends and relatives and is allowed to see her home by her heartiest good wishes.

MEETING HELD TUESDAY

Chester County Anti-Tuberculosis League held meeting Tuesday evening at the Chamber of Commerce, 24th and Chestnut Streets. Seals—Elections Were Made.

About 30 members of the Chester county Anti-Tuberculosis League attended the meeting called by Mrs. E. E. Brown at the Chamber of Commerce on Tuesday morning. Mr. T. H. White, chairman of the executive committee, assisted by Mrs. Brown, field director presided over the meeting.

Mrs. Brown stated the object of the meeting to be the furthering of the "Christmas sale of Red Cross seals, since 25 per cent of the proceeds of this sale would come back to the county and aid in the fight against the dread malady, Miss Coyle, unanimously named, brought out the alarming facts that 150,000 people die yearly in the United States from this trouble. It has proved to be a death therefrom every three minutes and that Chester county probably has over 1,000 cases. Miss White, chairman of the executive committee, brought valuable suggestions from the State League meeting, held at Mounting in Columbia.

Acting upon these and other suggestions, the following elections were made: Mrs. Steele Caldwell, chairman; Mrs. Hannah Heyman, secretary; Mrs. J. Davidson, treasurer; Mrs. J. Davidson, chairman of school operation; Mrs. Covington, chairman of the public health department; Mrs. H. W. Moore, chairman of poster and brochure committee; Mrs. Lucie Heyman, chairman of post office sale department; Mrs. H. W. Moore, chairman of special solicitations committee.

Mrs. O. A. Simpson, county manager, presided by Dr. Malaga, county health officer, had already appointed captains throughout the county and many of them were present to receive their literature, posters, stamps etc. Mrs. Brown then made the distribution, supplying also her own stamps.

The member present, was then urged to do her best at interesting the public in a course so philanthropic and so needful.

Buy, \$1,500 Pair Mules.

"A new high water mark has been reached in the sale of mules in York county," a Yorkville man yesterday advised. "It has just been a few years back when \$200 was considered an enormous price for a team of mules and several years back it was indeed a high price. But now it is different. Several teams have recently been bought by York county dealers for \$1,000 and the James Bros. of Yorkville sold a team of mules to George Gaulf, a well-known farmer of Chester county, a few days ago for \$1,500. That is the highest price ever paid for mules in York county.—Enquirer.

Lycium Course December 2nd.

The first number of the Chester Lycium Course will be the DeMille Quartette at the Opera House Tuesday, December 2nd. The sale of season tickets is about completed and members of the committee stated today that there are no more available except to those who have already subscribed for them and as yet they have not been called for or delivered. Reserve seats will go on sale at the Chester Drug Co., Monday, December 1st. No reserve seat will be sold at the Opera House except on single admissions and this only in case there are some left over after the seats are checked during the day.

The DeMille Quartette will come to Chester from Columbia, Ga. and as it will be impossible for them to see here until the Seaboard Air Line train 8:08 P. M. has been decided by the committee to announce the concert for 8:45 P. M. instead of the usual time. There are quite a number of school children's tickets available which are on sale either at the schools or the Chamber of Commerce.

The DeMille Quartette is one of the strongest numbers in the course arranged for this season. It is a most excellent entertainment and it comes to Chester after several very successful seasons.

LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 Year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadorville, Ky.—Mrs. Cynthia Higginbotham of this town says: "At my age, which is 65, the liver does not act so well as when young. A few years ago my stomach was all out of fit. It was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was poor. It was very unwell. I couldn't stand any Black-Draught. I thought of it as a joke. I was likely recommended for this trouble. I began taking it. It got better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the best I have ever enjoyed with a few all-digestion."

Seventh years of successful use has made Theodor's Black-Draught a standard household remedy. Every member of every family, at times, need the help that Black-Draught can give in restoring the system and relieving the troubles that come from constipation, indigestion, lazy liver, etc. You cannot keep well unless your stomach, liver and bowels are in good working order. Keep them that way. Try Black-Draught. It acts promptly, gently and in a natural way. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 50¢ a package—One cent a dose.

Advocate Course in Bible Study.

York, Nov. 26.—Bible study in the school was one of the topics discussed at the initial meeting of the western division of the York County Teacher's association held in the conference room of the school building.

Short talks concerning the teaching of the Bible to young students, with the assistance of denominational pastors, were made by several speakers.

SOVIET PRESIDENT SHOT AS TRAITOR

Man Claiming to Have Bought the Influence of Wilson is Proved to Be a Fraud.
Riazan, Russia, Nov. 25.—M. Bakomoff, the president of the Soviet here who raised a local fund for the purchase of anti-imperialist literature, has been shot by the extraordinary commission for combating counter-revolutionary activities, for spreading funds intended for organizing Bolshevik ideas.
According to a newspaper report, Bakomoff had a feigned report to the Riazan soviet, declaring he had bought Premier Clemenceau of France for 100,000 rubles, President Wilson for 200,000 rubles and the Berlin foreign office for 50,000 rub-

The commission against a counter-revolutionary discovered that the fund was a swindle and that Bakomoff and two local officials, in the prohibition department had pocketed the money.
Bakomoff admitted that he had printed private paper money to the amount of 5,000,000 rubles.

SAVANNAH'S SHIPYARDS ARE BEING DISMANTLED

Savannah, Ga. Nov. 25.—The government has ordered the dismantling of the shipyard of the National Shipbuilding and Dry Dock Company. Representatives of the government are here to carry out these directions. Two modern shipyards of the Ferris type, 40 per cent completed, are to be sold as well as about 200,000 worth of lumber and other equipment.

Bakeries Now Make Rural Sales.

Who would have thought about such a thing ten years ago or even five years ago? Regular delivery of commercial bakery bread along the public highways of New York state has come. Bread is being so delivered along the highways or along some of them at least. There are deliveries of bread along the roads from Rock Hill, Chester and Gaston to Yorkville and between Charlotte and Fort Mill and Rock Hill. This new development has grown up slowly and naturally, the bakers began by sending their wares to the neighboring retail markets by auto delivery; and little by little the drivers have been building up a trade with individuals along the route. It seems now that the time is getting nigh for the establishment of fresh meat routes through the

country, and in the course of time those who dwell beyond the towns will be able to procure almost any and everything they want from the trucks at their doors, Yorkville, for example.

EIGHT HOUR DAY TALK WITH LABOR DELEGATES

Washington, Nov. 25.—The eight-hour day and 48-hour week were the principal subjects before the Na-

tional Labor Conference here today. The eight-hour day proposal was approved and was sent to the drafting committee. Baldwin immediately renewed his efforts to secure action on his amendment, and was supported by Jaulaux.

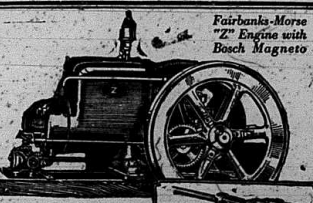

Adoption of the eight-hour proposal was marked by heated arguments but it went through without further amendment.

An effort by Mr. Hig to provide that workers should be paid for holidays was defeated.
