Tenor Pierses Crowd With Showmanship And Warmth

By JOYCE VERN

An audience of students and friends filled the Winthrop Theatre on December 13 to enjoy a musical program presented by Mr. J. P. T. Pierses, a tenor singer, who is currently touring the United States.

Pierses is known for his versatility and ability to appeal to all ages. His repertoire includes a wide range of music, from classical to contemporary, and he has a unique ability to connect with his audience. He has performed in numerous venues, from small clubs to large concert halls.

The audience was captivated by Pierses' engaging performance, which included a mix of songs, stories, and audience participation. His warm and inviting presence created a comfortable and enjoyable atmosphere for the entire evening.

The event was a perfect end to a busy week for the Winthrop community, and the positive energy generated by Pierses' performance will no doubt linger in the memories of those in attendance.

Cards and Carols Set Holiday Theme

Choir Goes on Tour

The Winthrop Choir, under the direction of Mrs. Catharine Pfeiffer, presented its annual Christmas service Wednesday night in the new auditorium. The service, accompanied by a drum and trumpet corps, was held in the auditorium.

Brotherhood and sisterhood in carol singing were both in evidence at the service. The program featured traditional carols, including "Silent Night," "Away in a Manger," and "O Christmas Tree," as well as contemporary compositions and arrangements.

The choir, under the direction of Mrs. Pfeiffer, showcased its musical talent and demonstrated its commitment to the spirit of the holiday season.

The concert was well-received by the audience, who were moved by the beautiful carols and the inspiring words of the service. The choir's performance was a fitting conclusion to a season filled with joy and celebration.

The evening concluded with a special moment as the choir presented a Christmas Carol, "Silent Night," accompanied by a small brass ensemble. The audience was transported to the simple, heartwarming tradition of carol singing, which has been a cherished part of Christmas for generations.
Few Present and Accounted For

When the majority of the Winthrop faculty and education majors did not show up for the Philosophy of Education class on Thursday, it was a subject of much concern. The education majors are the third group in the major, according to Social Science major Karen Sayler. She said, "We have three majors left. Philosophy is the last of them."

However, the course was not taught as usual. Professor John Bartels, who was scheduled to teach the course, did not show up. "It's a problem," he said. "It's a problem for the class and for me." He said he was scheduled to teach the class from 10 a.m. to 12 p.m., but he did not show up.

The Southern Students' Delinma

Tigers are scaring in Georgia. Among them is one Representative John P. Drinkard, a general of the state's 10th District and the State Legislature's 7th District. Drinkard, who is 70 years old, said that the Georgia State Legislature was not responding to the state's needs. He said that the legislature was not doing its job.

"We are the legislative branch of the government," Drinkard said. "We are the ones who make the laws. And we are the ones who are supposed to enforce the laws." He said that the legislature was not doing its job.

Sims Tells Of Careers

Campus President's 3. Johnson, Professor of English for the U.S. Naval Academy, has been appointed to a position in the Library of Congress, but an informal discussion with him indicated his interest in a similar position in the library of the University of Alabama. The dean is expected to be in Washington Thursday at that time.

As Professor of Government, Professor Johnson suggested to several women the career possibilities in the Library of Congress, and they expressed interest in the possibility of a similar career in the Library of Congress. The dean is expected to be in Washington Thursday at that time.

Black And Silver Night
By RANDY DURARD

Creating the encore after dark on a winter's night is a challenging feat. But the PACE staff, in their recent show, "Black And Silver," managed to create a captivating evening.

The winter months bring a sense of nostalgia and a desire for warm colors. The PACE staff capitalized on this by creating a show that was warm and inviting. The audience was transported to a winter wonderland, with snowflakes falling from the ceiling and the scent of hot cocoa wafting through the air.

The show began with a monologue about the weather, which set the tone for the evening. The performers, dressed in their finest winter attire, took the stage and began to sing and dance to a variety of winter-themed songs.

The highlight of the show was the performance of "Winter Wonderland." The performers, dressed in their finest winter attire, took the stage and began to sing and dance to a variety of winter-themed songs.

The show ended with a finale that was truly breathtaking. The performers, dressed in their finest winter attire, took the stage and began to sing and dance to a variety of winter-themed songs.

The audience was left with a sense of warmth and joy, and they left the theater feeling more connected to each other.

"Black And Silver" was a true winter wonderland, and the PACE staff should be commended for creating such a beautiful evening.
