With ELIZABETH ROGERS

● To read the Anderson column was one thing, to try to write it—well, very different. So, dear readers (I hope), we'll with ink hands clasped, let me say that you wait your judgment for awhile.

For a year we've enjoyed the Anderson slant on everything—casual comments, fun that hit the mark, and some really serious things under it all. Quite casually, she managed to say just about all about just about everything.

So in behalf of you I'm saying to her, "We're going to miss you."

● It just occurred to me that second semester will be gone in no time. Before we really get started it will be time for

Optimism mid-terms. From then on we'll whirl through spring holidays, elections, exchange week, Junior Follies, May Day, Junior-Senior, exams, and then it's over.

● We have a suggestion that we think might save a lot of work, so we'll hand it on to you. Recently we saw a collection

of government notes we had kept and added to every year in all subjects, the reviews for exams would be a lot easier. In fact, we might develop a kind of "exam" session—a group meeting to read and discuss the collection of notes during the pre-exam period.

● No more weeks of weary waiting. No more dashes to the P. O. every day for three weeks hoping and fearing that

Rushing your report will have come from home. Does that sound as good to you as it does to us?

This thing along with the wait for reports isn't just a pleasant dream; it is a system already in use at Duke.

When the student leaves the exam, he gives the professor a self-addressed post card. When the exams are corrected, the professor writes the student's semester grade and comments and mails the card immediately. Personally, we think the idea's swell.

● A few days ago we heard someone say that Winthrop was actually beginning to look like a uniform school again.

What? We hadn't noticed, so No Red? We looked around and sure enough, there was no more white (varied by a few bright scarfs and collars) the vogue. No more red blouses, no more orange and green sweaters (labeled "passed" by the owner, no more brown coats. All is uniform.

The new committee has evidently done its work well, and we think that the solid blue effect is—well, cute.

Home Economics Building Named For Thurmund

The new home economics building was named the "J. Strom Thurmund Home Economics and Nursery School Building" by the College board of trustees, in Columbia recently.

The building was named in honor of J. Strom Thurmund, Edgewood circuit judge, who was a member of the board of trustees until his appointment to judgeship last summer.

Mitchell, Stead Attend County Education Meet

O. M. Mitchell, superintendent of Winthrop Training School, and C. C. Stead, supervisor of commerce at Training School, attended the monthly meeting of the Cherokee County Education association in Gaffney, January 13.

Mr. Mitchell discussed "Teacher Training in Service as an Urgent Need Under the Proposed Curriculum Revision."

Mr. Stead noted commerce teachers in a round table discussion of current problems.

'39 Summer Session To Open June

6 Weeks' Credit, Artists' Course To Be New Features

The 1939 summer school will open June 12 and close August 11, according to President Shelton Phelps who announced recently that Dean Mowat G. Fraser would direct the summer session. The session will include a six weeks' accredited term for teachers.

The features of the 1939 session, according to Dean Fraser, include the granting of College credit for the six weeks term, the first time, it is understood, this has been done at Winthrop. An added feature is the special Artists' course numbers for the summer session.

Dr. Fraser points out that all facilities for winter school, including the use of the new auditorium and music conservatory, will be available to summer session students. Courses for high school graduates, college students, teachers, and supervisors will be open. Music instruction, class and private, and excellent recreational facilities will be available. The regular faculty and visiting instructors will teach.

Expenses for summer school will be met by matriculating students, five dollars; tuition per semester hour, three dollars; room and board for the full session, \$48, and \$36 for the six weeks session.

Landrum Attends Agricultural Meet

Miss Leland L. Landrum, state home economics agent, left Tuesday to attend a meeting of the Association of Southern Agricultural Workers in New Orleans, Louisiana, Wednesday through today.

Miss Landrum is chairman of the home economics section of the association, and presided over the home economics sessions.

Also attending the meeting are Miss Harriette L. Layton, assistant state agent, and Miss A. M. Moore of the home economics research department, who is secretary of the association.

Dalies Frantz, Pianist, Here Monday Night As Guest Artist

Dalies Frantz, young American "titan of the keyboard," will appear in an artist course number at 8 o'clock Monday night in Main auditorium.

The brief story of Dalies Frantz is one of genius, endeavor, and spectacular achievements. Born in Denver, Colorado, Mr. Frantz began his study of the piano at the age of seven—at nine he was a prodigy. He worked his way through the University of Michigan and graduated with highest honors. He won three of the most difficult competitions in America, the last of which entitled him to appear as soloist with the Philadelphia Orchestra in New York and Philadelphia.

The ease of his pianistic mastery is given enhancement by the subtlety of his distinctive showmanship. He employs a straightforward technique that is direct and presents his music with simplicity. There is color in his continuity of address, whether in eloquent pause or rushing crescendo of sound.

"Comparative to a fair-haired, youthful list for the fire and startling virtuosity of his work, Frantz seems to have every requisite for beauty and variety of tone. Some pianists play in black and white, but Frantz's technique runs the complete cycle of color.

Mr. Frantz, with his steel wrists and vibrant fingers, has attained an enviable position among the rising generation of pianists."

The Rev. J. H. Marion of Durham, N. C., will speak at vespers, 6:30 o'clock Sunday night in Johnson hall auditorium.

Mr. Marion is the former pastor of Oakland Avenue Presbyterian church in Rock Hill.

Try-Outs For Junior Follies Next Week

Try-outs for Junior Follies, annual junior class production, will be held Monday and Tuesday from 4 to 6 o'clock in Main building, North dormitory, and Bancroft basement, according to Harriet Culler, author and director of the production.

Chorus try-outs for ballet, tap, and modern dancing, directed by Catherine Easterlin and Mary Sanders, will be in Bancroft basement.

Harriet Culler will be in charge of cast try-outs in Room 23, Main building. Juniors only are eligible.

Underclassmen interested in the jazz orchestra to be included in the program this year, will see Carolyn DuBois in Room 57, Margaret Nance hall. Orchestra and chorus try-outs are open to underclassmen.

Plans for the three-act musical comedy, to be presented March 20, include seven choruses and fifteen speaking parts. The play has not yet been named.

Wheeler Has Poems Published In Anthologies

Dr. Paul M. Wheeler, head of the English department, has recently had several poems published in anthologies of contemporary verse.

Confidence, one of Dr. Wheeler's poems, appears in Contemporary American Men Poets, an anthology of modern verse by 489 living poets, edited by Thomas Del Vecchio. This poem has also been published in the Atlanta Journal, The State, and The World's Fair Anthology of Verse.

Another poem, Work, To A Young Woman Stricken Blind, will appear in the American Blue Book of Verse, soon to come off the press. This poem will also be carried in the winter edition of The Winthrop Journal.

Other compilations in which Dr. Wheeler's poems appear are Moments with Modern Poets, and Poetic Melody, both by Charles L. Tansel.

New Curriculum Bureau Opened

The Curriculum Materials bureau, directed by Miss Sadie Gogana, professor of education, was opened to the students and teachers Tuesday afternoon in room 392, Kinard hall.

Dr. Charl Williams, former president of the N. E. A., was guest speaker at the opening, which was attended by teachers from the Fifth Congressional district, faculty members, and members of the Elementary Education club.

A tea, sponsored by the Elementary Education club, campus departmental organization, was given the visitors. Ruth Jones, secretary from Aledu, was in charge of refreshments.

Dr. Charl Williams Spends Typical Busy Day at Winthrop

Expresses Views On "Career Girls" And Education

Suggestive of the way she has spent the greater part of her busy life, Dr. Charl Williams, in her one day on the campus, Tuesday, addressed assembly in the morning, spoke to the Elementary Education club in the early afternoon, spent the late afternoon looking over the new Curriculum Materials Bureau, and stood in a receiving line in the evening at a reception given in her honor at Johnson hall.

Between and among these activities that fill her every day as field director of the National Education association, she sandwiched conferences and conversations with various people on the campus, posed for The Johnsonian photographer, and sat in characteristic ease in Mrs. Shelton Phelps' home to talk to Winthrop reporters.

A former president of the National Education association, a former administrator of schools in Shelby county, Tennessee, Miss Williams has had a career that has swept her upward from the principality of a one-room country school to a key position in the educational life of America.

And Miss Williams, a handsome woman as has been on this campus in many a day, has definite views on things. "College women should be trained for leadership," she says. "They should take their places as doctors, lawyers, and business women." She thinks too that "The normal majority of college women should be trained also to take over the difficult job of home-making. But no woman should sacrifice her profession simply because she marries and has a family. In this modern world the two careers should not conflict. Men must be brought up to date. The average man cannot support an idle wife man, the devotional.

Dr. Fraser, who as new dean of Winthrop fills a place vacated for several years, appeared before the student body for the first time. He was introduced by Representative John G. Kelly, acting for President Shelton Phelps, who was called to Columbia for the day.

Nancy Beatty, senior from Anderson, led the devotional.

Carr Chosen Head of New Organization

Margaret Carr, junior from Morganton, N. C., was elected president of the Childhood Education association, new club organized for those interested in child education.

Other officers elected are Mary Howard, senior from Greenville, vice-president; Jack Haeel, senior from Charleston, recording secretary; Miriam Derrant, senior from Aledu, corresponding secretary; Velma Ward, junior from Ninety-Six, treasurer; and Janet Houston, senior from York, program chairman.

Miss Evelyn Rhodes, nursery school supervisor, Mrs. W. D. Rice, supervisor of the second grade at Winthrop, Miss Stella Bradford, instructor in psychology, and Miss Pattie Dowell, supervisor of the third grade at Training School, are sponsoring the organization.

The purpose of the association is to "gather and disseminate knowledge of the movement for the education of young children." A meeting will be held on the second and fourth Monday of each month.

Y Plans Lost And Found Bureau

The Y Social Service committee, headed by Katherine Bradburn, senior from Batesburg, plans to establish a Lost and Found Bureau soon for the convenience of Winthrop students.

The bureau will be in a centrally located place and will take all subjects found, and accept reports of all objects lost. Notices will be posted on the Y bulletin board concerning the lost and found articles.

Winthrop a la 1939 Is Big Contrast To Winthrop 1915

A Greenville columnist, Marjorie Barr O'Steen, former Winthrop girl, wrote in her column, January 15, of a trip back to Winthrop on Founders day, 1939.

Again she tread the halls of back corridor in North dormitory—settling, not to disturb the members of Lina and Ella and Joan and Sara and Lil and Penny. Same doors with the same numbers lined the hall—30-32-34-35-37. Only the doors were plastered with college stickers—Clemson, Wofford, Citadel, Furman and Davidson. . . . A horse shoe nailed over one door. . . . Candy signs, the reflected, "We'd have been shipped for tea."

Columnist Mrs. O'Steen could agonize again over the thought of her trunk being taken with merrily, as not to disturb the members of Lina and Ella and Joan and Sara and Lil and Penny. 'Big Names' In Tuesday Assembly

Ma, Williams, And Fraser Are Guest Speakers

Winthrop students, in the first assembly of second semester, heard an appeal from Dr. Roberts Ma, Chinese lecturer, listened to a brief address by Dr. Mowat G. Fraser, new dean, and were challenged by Miss Charl Williams, former president of the N. E. A., to make use of your educational opportunities.

Dr. Ma, who for the past year has been with the Chinese embassy in Washington, was the principal speaker of the program. She told of the horrors of the Chinese war and said Americans "are fortunate to live in a nation of peace."

J. L. Munter, state representative of the Church Committee for China Relief, under the auspices of which Dr. Ma spoke, introduced the speaker.

Miss Williams, of Washington, director of field services for the National Education association, spoke briefly, leaving with students the question "What are you going to do with this education?"

Dr. Fraser, who as new dean of Winthrop fills a place vacated for several years, appeared before the student body for the first time. He was introduced by Representative John G. Kelly, acting for President Shelton Phelps, who was called to Columbia for the day.

Nancy Beatty, senior from Anderson, led the devotional.

Calvert to Head College Chapter Of Alumnae

Miss Mary Calvert, instructor in sociology, was elected president of the College chapter of the Winthrop Alumnae association at a meeting in Joyes hall Monday evening.

Other officers elected were Miss Lottie Barron, supervisor at Winthrop Training School, vice-president; and Mrs. Yoda Brice, instructor in commerce, secretary.

Plans were made to help with the Alumnae banquet in Columbia during the meeting of the State Teachers' association, and a contributing membership to the recently organized Citizens' Library association was given.

Miss Calvert, Miss Anna Ellison, stenographer in the home economics department, and Miss Lila Top, supervisor at Training School, make up the program committee for the March meeting.

Cowart Replaces Dowell at W. T. S.

Miss Elsie Cowart, native of Summit, Ga., comes from New York to Winthrop Training School to take the place of Miss Patty Dowell, as supervisor of the third grade.

Miss Dowell is on a leave of absence during second semester. She is studying at the Teachers' College, Columbia University, New York City.

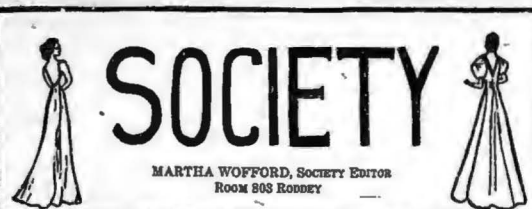

Miss Cowart has a B. S. and a M. A. degree from the Teachers' College, Columbia University, New York.

Potter Heads Local Chapter of A. A. U. P.

Miss Isabel Potter, instructor in biology, was elected middle of the Winthrop chapter of the American Association of University Professors at the chapter's first meeting of the year last Wednesday afternoon.

Miss Agnes Erickson, instructor in commerce, was elected secretary, and Dr. Armentrout, assistant professor of history, was elected treasurer.

A tentative program for the year's work was outlined.

Hoosier Schoolboy Is Brought to Life By Mickey Rooney

Mickey Rooney in "The Hoosier Schoolboy" contrasts sharply with his box office drawing role as Andy Hardy. Mickey plays "Shockey", who lives on the wrong side of the tracks with his shell-shocked, drunken father. Shockey is expelled from school, because, with his fists, he defends his no-good father. Mary (Anne Neagle), the new teacher, befriends him, and shares the love interest with Frank Shields, former tennis star.

A milk war, strikers, barricaded roads, a feud between the milk baron and his son add to the excitement and leads to a bitter-sweet ending which disposes of all the plot difficulties.

Dean Hardin Speaks on Weekly Radio Program

Mrs. Kate G. Hardin, dean of women, gave a talk on extra-curricular activities on the weekly radio broadcast in Johnson hall on Wednesday afternoon.

A musical program was given by the Setette and by members of the music department. Mark Biddle, director of the band, sang several selections, and Miss Ruth Stephenson, assistant professor of voice and piano, gave two piano solos.

On the radio program last week Miss Constance Wardle, instructor in voice, sang two solos and Ray A. Ford, director of campus journalism, interviewed Dr. Errol Kantz, new member of the music faculty.

Lost Clothing

During the week of February 6 through 10, articles of clothing left in the gymnasium may be called for at Miss Cassey's office. If the articles are not called for within these dates, the clothing will be disposed of.

Going UP... UP... UP... in popularity!

Month after month, more and more Winthrop college students are sending us in for their cleaning and pressing work. Such growing popularity is proof that you students like our fine work, our fair prices, and our promptness and dependability.

New Dean Brings Zest, Varying Interests To His Job

Fraser Likes 'Navy', Winthrop Poise, Activities

DR. MOWAT G. FRASER

(He was once an athletic coach), but he especially likes golf and tennis—however, he professes to be an amateur at both. Reading also occupies his leisure time. He likes to read biography better than anything else. All types of literature, though, meet with his approval. "I can read and enjoy everything from Jesse James to the latest plays."

Combining a sense of humor with a spirit of deep earnestness, Dr. Fraser steps into his new job, opens his mind to new ways of thinking that give a college aspect, and shows a vast eagerness for it all.

Winthrop girls appear, to Dr. Fraser, to be very poised and well-mannered. He is impressed he said, by the way in which they quietly speak up and manner situations. He is conscious of the petulant navy-blue, but, thinks that it adds to rather than detracts from the charm of the students.

Dr. Fraser, himself, is also poised and well-mannered. He is modest, retiring, doesn't like to talk about himself. His interests include journalism (he used to study it in college), debating, and all kinds of music. He wants "to be in the know" about all things going on around him. "If I had a month's vacation," he declared "I would spend the entire month visiting places of interest in South Carolina. Since I have been here I have been told of six different gardens in the State worth seeing."

All sports appeal to Dr. Fraser.

Dr. Fraser brings to Winthrop new thoughts, new ideas, a new outlook—a new personality. He favors new courses, greater student participation in all activities, work that lends itself to the interest of the individual—and, yes, cuts—that is, if they are approved by the faculty members, and are used to an advantage.

Ain't it wonderful, ain't it grand!
A new semester has just begun.
Exams are over and most forgotten,
And our worries are far as exactly nothing.
And so we leaders while ye hearts are light,
Pecker up yer spirit and join the fight.
Lace on ya sneakers and don a gym suit,
And hie to the gym—a basket to shoot.
If you've never had the thrill of sinking a shot—
Or intercepting a pass while it's sailing hot—
Then you've missed a sport that's really a treat.
For basketball's powerfully hard to beat.
Come on seniors! Juniors! soph and frosh!
And show 'em how'll win the tournament, by goah.

Tuesday, the fourteenth, Miss Alice Hayden, sponsor, and Harriet Lawton, chairman of the Dance club, plan to stage a public dance recital. The rehearsals are coming along nicely and the girls of the club are shaping the numbers into beautiful patterns that will be well worthy of exhibition.

This will be the first in a series of two dance programs which will be open to the Winthrop public within the next three weeks. On February 23, the Doris Humphrey-Charles Weideman dance group will be guest artists.

Tomorrow night Johnson hall will be a melting pot for immigrants from all over Europe from wind-swept Scandinavia to sun-baked Italy. They will do honor to each country in turn, by dancing their time-honored folk dances. And there'll be native foods, too. There'll be dancing and singing, and eating and drinking, but when the clock strikes 10:30, each native will bid adieu to his native land, and head off to his border friends and return to their respective homes with regret in their hearts that they have danced their last folk dance together (for Miss Post's folk dancing isn't a continued course).

If you are thinking of applying for consularship in some camp, you might enjoy yourself for a waterfront position by becoming an American Red Cross life saver. Miss Margaret Lea had a meeting with her water safety instructors Monday and she will soon disclose the exact dates for the spring life saving course.

Start performing now so that you'll be in good condition to pass the water safety course. All camp counselors should be senior life savers.

"Miss Hi Miss" Details Announced

Details on "Miss Hi Miss," honor section of the annual high school edition of *The Johnsonian* for high school girls of South Carolina, has recently been distributed to State high schools, according to Ray A. Furr, director of campus journalism.

The high school edition is a project of students of journalism 87 and will come off the press early in March.

Classes Hold Individual Vesper Services

Wednesday night Vespers were conducted by the classes in four separate meetings.

The freshmen with program leader, Christine Riser, met in Johnson hall auditorium; the sophomores under leadership of Helen Bryant, in Johnson hall Room room; the Juniors, led by Harriet Cullen, met in Johnson hall music room; and the seniors, with Ann Tighman in charge, in Johnson hall library.

Class presidents presided at each meeting.

This year, which witnesses the introduction of the Jefferson nickel, may be recalled as the year the last buffalo nickel roamed the plains.

New Auditorium Seats Like Those In Radio City

Seats for the main floor and first balcony of the new auditorium will be the same type as those used in the music hall of Radio City, according to A. M. Graham, business manager.

An order for 2,500 seats for these floors has been placed with the American Seating Company through the Columbia office.

The seats, built like the regular opera seats, are covered with leather upholstery. The chair backs have m-hair covers.

Seats for the upper balcony will be a less elaborate type.

Cottingham Leads Clionides Club

Elizabeth Cottingham, senior from Dillon, has been chosen president of the Clionides club, campus organization for history majors, according to Dr. Warren G. Keith, head of the history department.

Elizabeth is a member of the Y cabinet, the business staff of the Johnsonian, Pi Kappa Delta, Debaters' league, Strawberry Leaf, and the Winthrop Literary society. She is literary chairman of the Student Government association.

A blacksmith shop mentioned in Doomsday book, two ancient ruins and part of a golf course near Chalfont, St. Peter, England, are to give way to a new highway.

Chandler Heads Pi Kappa Delta

Thelma Chandler, senior from Greenville, has been chosen president of the South Atlantic province of Pi Kappa Delta, national honorary society, according to Dr. Warren G. Keith, head of the history department.

Thelma will publish a P.K.D. '30 booklet of outstanding people in the South Atlantic province, which includes South Carolina, Virginia, North Carolina, Florida, Georgia, Alabama, Mississippi, and Porto Rico.

Thelma is a member of Debaters' league, International Relations club, Collegiate Parliament, and Strawberry Leaf.

Russell Attends Four Meetings

Miss Lella Russell, secretary of the Alumnae association, left last Wednesday to attend a series of meetings of Winthrop Alumnae chapters.

Miss Russell attended a meeting of the Woodruff chapter last Wednesday and met with the American Alumnae council in Birmingham, Alabama, Friday and Saturday.

Monday, she attended a meeting of the Atlanta, Georgia chapter of Winthrop daughters, and met with the Laurens chapter yesterday.

Dr. Charl Williams Spends Typical Busy Day at Winthrop

(Continued from page one) on his wages today." Miss Williams, herself, was last year president of the National Federation of Business and Professional Women's club, an organization which includes 60,000 women of every profession and vocation. She was the first teacher to hold this office.

Miss Williams spent at least one hour of her time in looking over the Winthrop campus, particularly the new buildings. "In my opinion," she says, "the new home economics building will change entirely the style of interior decoration in this state."

Her parting plea to the Winthrop girls who will be teachers, was for the democratic spirit in their pupil-teacher relations.

Miss Williams came to Winthrop from the Woman's College at Greensboro, and goes on to other institutions in the southeast, the territory she deliberately chose for her work of stimulating the professional point of view of teachers toward their jobs.

Life Saving Course

New Resolves Are Unbeatable For Being Unbreakable

For those who have a habit of making resolutions that just can't be kept, we have drawn up a roster of new semester resolutions that are guaranteed to be unbreakable.

1. Never miss an even all-night show & eat-town.
2. Go to the Canten more regularly than to meals.
3. Hedge in a from four-to-five hours bull session with the "gang" on the nights before tests.
4. Take every week-end and can possibly be had, and search painstakingly for new excuses to get away.
5. Don't waste time sleeping in the afternoon. Skip in class.
6. Don't worry about parallel

Forum on Peace Sponsored by Y

A series of forums on the cause and cure of war will be conducted by the Y Public Affairs committee, headed by Elizabeth Cottingham, senior from Dillon, in the Rose room of Johnson hall, beginning Friday at 8 o'clock.

Material for the discussions is furnished by the Warrenton Round Table committee, a discussion group of the conference on the cause and cure of war held in Washington Saturday through Wednesday.

Mr. Helen G. Macdonald, head of the sociology department, will lead the first forum.

Frayser Helps Organize York Citizens Library

Miss Mary E. Frayser of the home economics research department, represented the State Library Board at a meeting in Johnson hall Monday to organize a York county Citizens Library association.

Dr. Helen Gordon Stewart, internationally known librarian, addressed the association. Mr. E. R. Jetter, president of the State Citizens' Library Association, presided.

Thirty-seven representatives from York county attended the meeting.

Class Basketball

All girls of all four classes who are interested in going out for class basketball are requested to meet in the gymnasium to-night at 8:45. Anyone who is interested, but absolutely unable to attend the meeting, must get in touch with Miss Cooney before Saturday morning.

W. T. S. Seniors Begin Class Play

"The Campus Quarantine," a college comedy in three acts, directed by Miss Beale Peag, supervisor of English at Training School, will be presented by the senior class of Winthrop Training School, Friday, February 24.

Marguerite Tidmarsh, president of Maquerra, and Louise Fant, retiring editor of *The Johnsonian*, are assisting Miss Peag.

The cast of the play will be announced later.

Miss Gore Takes Place Of Assistant Librarian

Miss Arabella Gore of Wilmington, N. C., has assumed duties as assistant librarian in the place of Miss Gladys Smith, who is continuing her study of library science.

Fort Believes In Sticking to Subject

Dr. Fort to students in his philosophy class: Win you go down to the book room and see if the texts have arrived.

Student: What kind of books?

Dr. Fort: Philosophy.
