International Affairs Editor Of Newsweek Gives Views On Russia, England, America

The fact that Russia has pistol-packing cowboys might make you a little wary of meeting their representatives, but I was in London on the night that the Association for Exchange of Scholarship and Travel, which cordially invites British and American students who know that which is so popularly known as "the wild west" of the United States, met for a dinner. The students who were present at the dinner believe that the "wild west" is not so wild as it is sometimes depicted in the press. The Russia is very popular among American students, but they dress more formally...

to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco - and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are — how much more real down-smoking enjoyment they give you. Yes, smoke a Lucky!

L. Murray Mangum, independent tobacco buyer of Oxford, N.C., says: "Year after year, I've seen the makers of Luckies buy the kind of tobacco that bidders good and ordinary grades of tobacco. Mangum has been a tobacco buyer for 20 years. Here's more evidence that Luckies are a finer cigarette!"

SPORTS

Now that the big game between Carolina and Georgia is over again until next year, I hope the students will get into the habit of checking the daily weather conditions of the pillow you claimed to have during the evening meeting.

DON'T LET IT WORRY YOU

In case you're interested in the football game, you won't have to look it up in tomorrow's edition of the campus paper. **Helen Stout** has written up the game for today's edition. I'm sure you'll be interested in her comments.

The sixteen costumers who have been selected to appear in the upcoming group of the Modern Dance club have been announced by Miss Mary. All of the performers received the news this week by Miss Mary, who was on the lookout for new talent for the upcoming slate of performances.

The girls who have been selected are Mary Johnson, Betty Bell, Betty Blanken, Dorothy Green, Emily Hunter, Helen Wilcox, and Jo Ann Sams.

Others are Ann Stabler, Mary Ellen Davis, Anna Delco, Shirley Bailey, Linda N佘son, Nelle Mayfield, Mary Maillie, and Lillian Gordon.

The qualifications to enter the upper group are: that the student has taken at least one year of ballet studies, and that she has taken at least one year of both tap and modern dancing. For the poets, although the leaves fall from the trees, the poetry continues to be written. For the painter, the colors change, and so do the pictures. For the dancer, the music changes, and so do the movements. For the musician, the instruments change, and so do the sounds. For the athlete, the sports change, and so do the challenges. For the writer, the stories change, and so do the words. For the student, the classes change, and so do the experiences.

The leaves fall from the trees, the colors change, the music changes, the athletes change, the stories change, the classes change. This is the true meaning of autumn.
