Scope and Content Note: **The Marlboro County Home Demonstration Club Records consists of constitution and bylaws, surveys, market reports, correspondence, financial records, and educational material forming a view of local farm life and the improvements sought by the Home Demonstration Club. The collection is a useful source on farm living in Marlboro County from 1928 until 1964. The Home Demonstration Club Market was begun in 1921 and was most successful during the late 1930's and early 1940's. The Club was organized to give farm women an opportunity to provide a better family life through the development of secondary crops and markets to increase family income.**
