Description of series and its contents:

This series consists of the records produced by GLoBal (Gay, Lesbian, Bisexual, and Transgender Ally League). GLoBAL is a progressive group on Winthrop's campus that works to break barriers and fight for equality. GLoBAL educates faculty, staff, and students on Gay, Lesbian, Bisexual, and Transgender (GLBT) issues through our Safe Zones program in order to create an environment that is accepting and understanding. The student group holds social events, is politically active, and works to collaborate its efforts with other organizations on campus. GLoBAL is open to Winthrop University students, faculty, staff, administrators and guests who support and promote our purpose. Correspondence is organized by calendar year.
