Description of series and contents:

**This series consists of newsletters and other publications produced by and for the New Start Program. New Start is a service program for students 25 years or older. New Start students range in age from mid 20s to 80s. They may be continuing undergraduate work begun some years ago, or they may be enrolling in college for the first time. The New Start program provides students with the information and assistance they need to explore the educational opportunities available at Winthrop and to succeed in meeting their educational goals. This series is organized as an item level inventory.**
