

Winthrop University Archives
Preliminary Descriptive Inventory

Unit: Information Technology, Division of
Sub-Group: Administrative Files
Series: Various Records

Record Group no: W447
Sub-group no: 1A
Series no: 1

Description of series and its contents:

This series consists of the various records produced by the Division of Information Technology that are not of sufficient quantity to constitute a separate series. These records include reports, minutes, and other related records. The mission for Computing and Information Technology is to provide the appropriate technological infrastructure to support teaching, research and service, and to provide high-quality, efficient, and effective technological support service to all academic and administrative functions at Winthrop University. There are 5 areas under the IT umbrella: Academic Computing; User Support Services; Technology Services; Administrative Systems and Programming; Telecommunications.
